**WHEREAS**, on 11 August 2014, the Sangguniang Panlungsod passed City Ordinance No. 19-2014 giving free medicines and medical treatments, tests, and examinations at all public medical facilities and health centers within the City of Bacoor in favor of all persons with a valid Special Bacoor Resident (SBR) card.

**WHEREAS**, thousands of SBR card holders benefited from the City Ordinance No. 19-2014 and the purposes for which the said ordinance was approved were all realized. Everything changed, however, when COVID-19 reached Philippines shores.

**WHEREAS**, the SBR Card could neither be used for the payment of financial assistance to beneficiaries under the Bayanihan Act and other laws, nor for the availment of essential services being offered by the city government, or for the payment of taxes and other fees. Consequently, SBR card holders were compelled to go to overcrowded remittance centers and government offices at the height of

the pandemic for transactions that could have been done online.

**WHEREAS**, Republic Act No. 10121 mandated the adoption and implementation of a comprehensive, coherent, integrated, efficient, and responsive disaster risk reduction and management program in the development plans of various levels of government while adhering to the various principles of good governance.

**WHEREAS**, the COVID-19 pandemic is still raging globally, the threat of climate change hangs ominously over the future of every person on Earth, and various natural calamities still pose a threat to all Bacooreños.

**WHEREAS**, the SBR Card must be revitalized and reimagined so that it can be used by the city government as a tool to prepare Bacooreños survive any risk and in future proofing the city against any threat.

**NOW THEREFORE**, be it ordained by the 5th Sangguniang Panlungsod of the City of Bacoor, Cavite THAT:

**Section 1. Title.** This ordinance shall be known as the "SBR App Ordinance of 2022".

**Section 2. Purposes.** This Ordinance aims to achieve the following:

1) Create a software application that will allow users conduct various transactions with the city government such as application for permits, payment of taxes and fees, request for assistance, and the reporting of grievances without leaving the comfort of their homes by just using their mobile phones;

2) Allow users of the software application to use financial assistance given to them by the city government or by the national government in buying medicines or other essentials online;

3) Enable the city government to gather data quickly and safely before/during calamities/emergencies or before/after the launching of various government projects;

4) Enable the city government to inform users of the software application about the start of various government
