WHEREAS, on 11 November 2021, President Duterte issued Executive Order No. 151 approving the implementation nationwide of the Alert Levels System for COVID-19 Response following the 3C's (closed, crowded, and close contact) strategy to curb the further spread of the dreaded disease;

WHEREAS, under EO 151, the micro-level quarantine (also known as "granular lockdowns") of areas identified as "critical zones" may be declared by local government units in order to prevent the further proliferation of COVID-19 in various parts of the country;

WHEREAS, the IATF-EID placed the City of Bacoor and the Province of Cavite under Alert Level 3 from January 5 to January 15, 2021;

WHEREAS, in view of the continued rise in the number of people who tested positive for COVID-19 and in order to protect unvaccinated persons residing or working at the City of Bacoor, Cavite from the life-threatening effects of the coronavirus, there is a need to pass an ordinance that restricts the movement of persons who have not yet been vaccinated within the City in order to promote public health and safety;

WHEREAS, Section 1, Article III of the 1987 Constitution provides that "(N)o person shall be deprived of life, liberty, and property without due process of law, nor shall any person be denied of the equal protection of the laws."

WHEREAS, notwithstanding its valid concern to promote public health, the city government should not be unmindful of its duty to safeguard the right of all its constituents to take care of their health in the manner that they or their physician deem fit even in the face of a disease as insidious, contagious, and potentially deadly as COVID-19 in keeping with the State's duty to ensure that nobody is denied equal protection under the law.
