The long-standing problem of garbage hauling at Bacoor Public Market was next taken up. It was established by the Body that only one contractor, Alejandro G. Pangan Trucking of 1628 Evangelista St., Bangkal, Makati, Metro Manila, submitted his quotation in response to the Municipality's Invitation to Bid, dated July 8, 1991, posted in the municipal building, in the market office, Zapote commercial area and other public places. The Body had previously agreed on the absolute necessity of contracting a permanent hauler of garbage since the municipality's sole dump truck could not cope with the collection and hauling of the garbage of the whole town of Bacoor, the public market included. The Body also took note of the fact that the municipality has no dump site of its own and further, its former dumping site has been closed by the owner due to the clamor of the residents in the immediate vicinity thereof. The Body likewise determined that Mr. Pangan's amended offer of ONE THOUSAND THREE HUNDRED PESOS ($1,300.00) per hauling trip, including his provision of a dump site in Dasmariñas, is just and reasonable compensation for the services to be rendered. On the basis of these premises, therefore, the council decided upon the following resolution, to wit:

RESOLUTION No. 91-29

A resolution authorizing the Municipal Mayor to contract the services of Alejandro G. Pangan Trucking for the daily collection and hauling of garbage at Bacoor Public Market in Zapote at the rate of ONE THOUSAND THREE HUNDRED PESOS ($1,300.00) per trip until December 31, 1991.
