RESOLUTION NO. 102-94

WHEREAS, under Resolution No. 38, dated August 12, 1994, the Sangguniang Bayan approved the realmentment of the P1 million current year's appropriation for the cementing of roads and the use thereof instead for the fencing and other expenditures necessary and incidental to the development of the new public cemetery site in Malikai;

WHEREAS, the said realmentment was dictated by the public interest and welfare, and after taking into consideration the fact that the said appropriation had earned unprogrammed and unexpended for more than seven (7) months, taken against the Department of Health's requirement of mandatory fencing of the cemetery site as a condition precedent to its favorable endorsement of the municipality's application for a Development Permit for the project, designed as it was to address the serious problem of providing affordable, decent and well-laid-out plots to the community of Bacoor who cannot for some time now be accommodated in the overcrowded and crowded public cemeteries in Malikai;

WHEREAS, under his Memorandum, dated September 1, 1994, to the Sangguniang Bayan, the Honorable Municipal Mayor objected to the realmentment because the said P2 million "was appropriated for at the beginning of the year because there was a need to construct and concrete municipal and barangay roads which may even exceed the originally budgeted amount. To deprive some people of the basic service that they deserve and expect";

WHEREAS, after due and careful deliberation on the reasons given by the Honorable Municipal Mayor for the veto, the Sangguniang Bayan maintained its original position on the subject on the basis of the facts and circumstances herein stated and, further, because the realmentment is not ultra vires or prejudicial to the public welfare; NOW, THEREFORE, on motion of Honorable Pablo E. Cuarrera, seconded unanimously by all the members present, BE IT, AS IT IS ENRICK
RESOLVED by the Sangguniang Bayan of Bacoor, Province of Cavite, in regular session assembled, to override, as it hereby does override, the Honorable Municipal Mayor's veto of the realignment of the P2 million current year's appropriation for the cementing of roads: Item 2.0, Office of the Municipal Engineer, Page No. 30, Municipal Budget for 1994, so that the same may be used for the fencing and other initial expenditures that will be incurred in the development of the new public cemetery in Moline:

RESOLVED, FURTHER, to furnish with copies of this Resolution the Honorable Municipal Mayor, the Budget Officer, the Accountant, the Treasurer, the Honorable Presiding Officer and Members of the Provincial Board of Cavite, and others concerned, for their information and guidance.

APPROVED UNANIMOUSLY.

We hereby certify to the truth and correctness of the above Resolution No. 108 which was passed by the Municipal Council during its regular session on September 3, 1994.
