CALL TO ORDER AND OPENING OF SESSION

The regular P-siding Office, the Hon. Cecilia T. Buhain, being on leave, Kagawad Edwin E. Malvar, who was elected by the eight (8) members present from among themselves to temporarily preside over the session, declared the same open at precisely 7:00 p.m., there being a quorum.

FIRE AT CAMPOSANTO

The Honorable Body acknowledged the attendance of Chief Inspector Benigno Bondoc, Barangay MPO Station Command, who was invited to report on the investigation of the December 3, 1994 fire at Baangay Camposanto.

Chief Bondoc narrated that the conflagration started at the residence of a certain M. Gervy San Pedro, a child of whom died in the fire. The fire was caused by a child playing with matches in the presence of a group of children. The fire was extinguished by the Fire Department and the Barangay MPO Station. No one was injured.

At this juncture, PO2 Pablo de Castro, representing the Barangay Fire Department, arrived. He was not able to add much, though, to what had been known from Chief Bondoc, as the investigation of the fire was made by their provincial office.

Since the Council was more interested in preventing the recurrence of similar disasters, as well as the adequacy of the facilities and measures available and in force to meet them, the police and fire offices present were requested to furnish the Body with their written report on the above incident for legislative study and necessary action.

After considering that the information came in a little late since the 1995 budget had already been passed, it was decided to accommodate in the Council’s special projects fund for next year the more immediate ABC need for additional tables and chair for its members.

Funds for Municipal Cemetery and Panapaan PNP Sub-Station

Kagawad Rufino A. Hernaez filed his request for additional funding for the development of the municipal cemetery in Malino and about P300,000.00 for the expropriation of a 30-square-meter portion of the Gomez property on Panapaan for the proposed police sub-station thereat.

Relative to these matters, the Council was assured by Kagawads Edwin E. Malvar and Avelino B.
