RESOLUTION NO. 89-9-94

RESOLUTION APPROVING THE REALIGNMENT OF THE P2 MILLION MUNICIPAL OUTLAY FOR THE CEMENTING OF ROADS AND THE USE THEREOF INSTEAD FOR THE FENCING AND OTHER EXPENDITURES NECESSARY AND INCIDENTAL TO THE DEVELOPMENT OF THE NEW PUBLIC CEMETERY SITE IN MOLINO.

WHEREAS, it was further reported to the Council that the fencing of the cemetery site in Molino is another mandatory requirement for the approval of the Development Permit thereto;

WHEREAS, preliminary engineering estimates placed the cost of a 10-foot high perimeter fence at P1.4 million, aside from P3.4 million finishing expenditures for the project;

WHEREAS, invited for information as to funds status, the Municipal Budget Officer stated that only P1.5 million remained of the P1.1 million current appropriation for the cemetery's development, although there could be tapped the P2 million outlay for the cementing of roads: Item 2.0, Office of the Municipal Engineer, Page No. 39, Municipal Budget for 1994, so that the fencing and construction of even a section of the whole property may be initiated;

WHEREAS, the priority development of a new cemetery is dictated by the overfilled public cemeteries in Maliksi and to make available affordable burial plots to middle and low income families in the community of Bacoor;

NOW, THEREFORE, after due deliberation on the subject, on motion of Kagawad Renato J. Maliksi duly seconded, BE IT, AS IT IS HEREBY

RESOLVED by the Sanggunian Bayan of Bacoor, Province of Cavite, in regular session assembled, to approve, as it hereby does approve, the realignment of the P2 million outlay for the cementing of roads and the use thereof instead for the fencing and other expenditures necessary and incidental to the development of the new public cemetery site in Molino;
