RESOLUTION NO. 37-8-94

The Honorable Body acknowledged the attendance of Mr. Rodolfo Narvaez, Market Supervisor, who was invited to explain the reported proliferation of illegal vendors and hawkers on the roads, aisles and walkways in the premises and vicinity of the public market, as well as the barangay hall of Zapote 4 within the market area included in the leaseholding of the municipality with the Philippine National Railways, all of which conditions are prejudicial and detrimental to the public interest.

Mr. Narvaez confessed that, despite their reasonable efforts to maintain order and discipline in the area, his office had not been able to control the entry and positioning of illegal vendors and hawkers in the premises and vicinity of the public market for lack of adequate support personnel. With regard, however, to the illegal construction of houses and other structures within the market premises, Mr. Narvaez contended that they were already there when he assumed office a few months ago.

Summoned for additional information on these illegal construction Engr. Felicito Mejia, Assistant Municipal Engineer, averred that his office had not been made aware of and such less issued any permits for those structures.

In the light of these unsavory disclosures, the Sangguniang Bayan, therefore, after due deliberation and on motion by Kagawad Saturnino P. Enriquez, Jr., duly seconded, RESOLVED, AS IT IS HEREBY RESOLVED, to call the attention of the Honorable Municipal Mayor on the proliferation of illegal vendors and hawkers on the roads, aisles and walkways in the premises and vicinity of the public market, as well as the illegal construction of houses and other structures beside and behind the barangay hall of Zapote 4 within the area included in the leaseholding of the municipality with the Philippine National Railways, with the end in view that His Honor will decisively act on these conditions which are prejudicial and detrimental to the public interest.

RESOLVED, FURTHER, to furnish with a copy of this Resolution His Honor, the Municipal Mayor, for appropriate action.

ADOPTED UNANIMOUSLY.

I hereby certify to the truth and correctness of the above-quoted Resolution.
