RESOLUTION NO. 10 S-96

RESOLUTION REQUESTING THE PROVINCIAL GOVERNMENT OF CAVITE TO CAUSE THE CEMENTING/ASPHALTING OF BOTH SHOULDERS OF GEN. EVANGELISTA STREET, BACOOR, CAVITE

WHEREAS, the province of Cavite has successfully become a highly industrialized province where factories and residential subdivisions have risen spawning traffic congestion starting from the Coastal road, affecting Aguinaldo Highway, General Evangelista Street and in case of severe traffics, even the secondary roads;

WHEREAS, the General Evangelista Street is a two-way road, a major artery used in going in and out of Cavite. When the CALABARZON and the EDSA have become fully operational, traffic congestion has become a daily experience adversely affecting not only the residents of Cavite, but even non-residents who go therefor either for business, recreational or personal purposes. This further aggravated by the introduction of mass housing in the Municipality of Bacoor, and the neighboring municipalities;

WHEREAS, traffic congestion, if unabated, will result in unnecessary loss of human resources and millions of pesos in wasteful gasoline consumption;

WHEREAS, General Evangelista Street is a provincial road, the repair and maintenance of which ought to be undertaken by the Provincial Government of Cavite;

WHEREAS, both shoulders of General Evangelista Street should be cemented/asphalted in order to widen the same and ease up traffic congestion.

NOW THEREFORE, BE IT RESOLVED, AS IT HEREBY RESOLVED, by the Sangguniang Bayan of Bacoor, Province of Cavite, in its regular session assembled, on motion of Hon. Avelino S. de Castro and duly seconded by all the members present, to request the Provincial Government of the Province of Cavite to cause the cementing/asphaltalng of both shoulders of General Evangelista Street, Bacoor, Cavite;

RESOLVED FURTHER, that copies of this Resolution be furnished the Hon. Provincial Governor, the Presiding Officer and Members of the Sangguniang Pandalawigan for their approval;

RESOLVED FINALLY, that copies of this Resolution be furnished the Office of the Hon. Mayor Victor R. Miranda for his information and
and appropriate action.

APPROVED UNANIMOUSLY.

I hereby certify to the truth and correctness of the foregoing Resolution:
