WHEREAS, Art. 25, Rule V of the Implementing Rules and Regulations of Republic Act No. 7160 grants local government units the responsibility for delivery of basic meat inspection service and operation of meat establishment such as but not limited to slaughterhouses and poultry dressing plants;

WHEREAS, pursuant to the pertinent provisions of Republic Act 7160 (otherwise known as the Local Government Code) and Executive Order No. 137 (promulgated on 23 November 1993), local government units shall regulate the construction, management and operation of slaughterhouses, meat inspection, meat transport and post-abattoir control, monitor and evaluate and collect fees and charges in accordance with the national policies, procedures, guidelines, rules and regulations;

However, the said slaughterhouses prioritize the butchering of meat to be sold by vendors operating in Imus or Las Piñas City. As such, meat vendors operating in Bacoor, Cavite are left with no choice but to sell their products long after the Bacoor Public Market opens;

WHEREAS, the National Meat and Inspection Commission (NMIC) prohibits the sale of any meat products that did not pass inspection by a duly-authorized slaughterhouse.
