WHEREAS, since the start of March 2021, an alarming increase in the number of COVID-19 positive cases in the City of Bacoor, Cavite was noticed by many local officials. The said increase in positive cases threatens the various gains achieved by the city government in its campaign to curb the effects of the pandemic on public health and on the local economy.

WHEREAS, members of the Sangguniang Panlungsod believe that the increase in COVID-19 cases in the City of Bacoor was due to several factors among which is the "enforcement fatigue" being experienced by police authorities in the city in the implementation of the various guidelines of the Inter-Agency Task Force on Emerging Infectious Diseases (IATF-EID) designed to combat the spread of the said disease as well as various city ordinances on the same subject.
