

COMMITTEE ON HEALTH AND SANITATION

COMMITTEE REPORT
CHS-PCO-2024-223

Office of the Sangguniang Panlungsod
Received by: *[Signature]*
Date: 10 JAN 2025
Time: 9:00 am

Subject: *An ordinance granting free basic laboratories for pregnant women in the City of Bacoor.*

(Date referred: November 20, 2024)

The above-mentioned proposed resolution underwent its first reading on November 20, 2024 during the 117th Regular Session of the Sangguniang Panlungsod. The said proposed resolution was referred by the Acting Presiding Officer, City Councilor and President Pro-Tempore Hon. Reynaldo C. Palabrica to the Committee on Health and Sanitation.

FINDINGS:

The state shall protect and promote the right of health of women especially mothers in particular and of the people in general and instill health consciousness among them.

Pursuant to Department of Health Administrative Order No. 2016-00035 (Guidelines in the Provision of Quality Antenatal Care in all Birthing Centers and Health Facilities providing maternal care services) provides that all pregnant women shall be provided with focused ante-natal care including basic laboratory tests and screening tests for sexually transmitted infections if available in the facility.

The basic laboratory tests provided by health centers and other government facilities include HIV, HBsAg, Syphilis, Urinalysis, CBC, (depending on availability of supplies). Funding for these free basic laboratory tests will come from the City Health Services of the City of Bacoor.

RECOMMENDATION:

By the motion of Hon. Reynaldo C. Palabrica duly seconded by all the members of the Sangguniang Panlungsod, the above subject matter was **APPROVED** during its 120th Regular Session.

WE HEREBY CERTIFY that the contents of the foregoing report are true and correct.

Signed this 9th day of December 2024 at the City of Bacoor, Cavite.

COUN. REYNALDO PALABRICA "Now we start the hearing with the proposed ordinance adapting Republic Act No. 10152 or the act providing for mandatory basic immunization services for infants and children, repealing for the purpose Presidential Decree No. 996, as amended."

COUN. REYNALDO PALABRICA "So for the record in attendance to this hearing, yung attendance natin kanina ayun din ang attendance natin ngayon."

COUN. REYNALDO PALABRICA "We will acknowledge the presence of our honorable committee, let's start with Hon. Rogelio Nolasco."

COUN. ROGELIO NOLASCO "Good morning, Mr. Chair and sa ating mga resource persons."

COUN. REYNALDO PALABRICA "The SK Federation President."

COUN. PALM ANGEL BUNCIO "Good morning, Mr. Chair, magandang umaga po sa ating mag resource persons especially po sa mga nanditong Sangguniang Kabataan."

COUN. REYNALDO PALABRICA "Thank you, Councilor Levy Tela."

COUN. LEVY TELA "Good morning sa ating lahat."

COUN. REYNALDO PALABRICA "Ang next na agenda natin ay tungkol sa mga immunization ng mga bata, ngayon iexplain satin to ni Dra. Ivy kung paano ang mangyayari."

DRA. IVY MARIE YRASTORZA "Good morning po, this ordinance po is the adaption of Republic Act No. 10152 providing basic immunization services para sa ating mga babies. Alam naman po natin na ito ay ginagawa natin sa ating mga health centers meron po tayong mga libreng bakuna, unfortunately nga lang po sa City of Bacoor, mababa po yung ating FIC or Fully Immunized Child nasa 40% lang po ng ating mga babies ang nakatanggap po ng bakuna. Of course, hindi naman natin na-encode dito yung mga nagpapabakuna sa private, kung idadagdag man po natin I don't think na maabot po natin yung hundred percent."

DRA. IVY MARIE YRASTORZA "Kasi up to now marami po sa mga babies natin ang ayaw po mapa bakunahan o hindi kaagad nakakapag avail, kung sakali po kasi na hindi sila mabakunahan pwede po kasi mag lift into possible outbreak in the future. Alam naman po natin na nagkakaroon tayo ng measles outbreak, kahit isa lang po kasi ang magka measles sa ating barangay, binababaan po talaga natin ng bakuna yung surrounding na yun to avoid po na dumami. So, after the pandemic bumaba po yung immunization rate natin, kaya we are trying na magbaba ng mga information dissemination campaign and ma-encourage yung mga nanay to avail the basic immunization services, yung mga preventive vaccine natin. Libre naman po to sa ating mga health centers."

COUN. REYNALDO PALABRICA "So, walang babayaran noh?"

DRA. IVY MARIE YRASTORZA "Yes po, even po doon sa mga nakapaloob po sa ating mga lying-ins pino-provide po nila yung HEPA B, BCG, and birth, kino-cover po kasi yun ng PhilHealth so libre po."

COUN. REYNALDO PALABRICA "Mga SK officials and Barangay Kagawad in health, tulungan natin ang City Government and City Health Office regarding pagbabakuna na maintindihan ng mga nanay kung gaano ka importante ang mga bakuna na ito. Siguro, isama na natin kapag nagkaroon tayo ng AIDS awareness campaign dapat meron din na vaccination awareness campaign."

PB VIVIAN GAWARAN-RAMIREZ "Magandang umaga po sa lahat, kami naman po ay mandated nagbibigay po kami monthly ng ating bakuna at mostly naman po sa binabakuna namin ay HEPA B and BCG. Mahigpit po kasi ang DOH, finitignan po nila kung meron kaming HEPA B and BCG yung mga owner ng lying-ins. Regarding naman po sa barangay kailangan po yung mga health worker natin tutukan din yung areas na di nila nababakunahan para ma fully-immunize yung mga bata, kasi isa sa mga nagiging problema dito yung mga muslim kaya ang ginagawa po dito ay pinasasamahan po sa barangay marami pong ganyan, alam po ni doctora yan. Yung iba naman pong muslim ay well-

educated nakakapag pa bakuna po, ayun lang naman po yung problema, kailangan po yung 47 barangays suportahan po natin."

COUN. REYNALDO PALABRICA "Thank you Kapitana Vivian. We recognized the presence of the representative from Office of the City Legal Services, Atty. Marius."

ATTY. MARIUS SUMIRA "Good morning po, Atty. Marius po from Office of the City Legal Services."

COUN. REYNALDO PALABRICA "With kind indulgence of my colleagues here in front isama ko na dito yung isang ordinance regarding granting free basic laboratories for pregnant women in the City of Bacoor. Kasi magkaka-ugnay naman eh, kapag nagbubuntis may free basic laboratories sa City Health Unit na nakakasakop sa inyo, kasama na doon ang HIV test para related doon sa task force."

DR. MICHAEL ANGELO MARQUEZ "Regarding hepatitis meron na po tayong libreng gamot po. Sa ngayon meron po tayong limang rubrics doon."

COUN. REYNALDO PALABRICA "Nag-uupgrade rin tayo sa mga services natin. Aside from HIV test meron pa tayong hepatitis B, pati gamot meron regarding hepatitis. So Sangguniang Kabataan Officials and Barangay Kagawad on Health ito yung mga services na gusto nating ma institutionalize sa ating mga centers para maging malusog ang ating mga kababayan. So, any question?"

COUN. REYNALDO PALABRICA "May I request the SK Federation President to place the motion for the adjournment of this hearing."

COUN. PALM ANGEL BUNCIO "Wait lang po mag tatanong lang po ako kay Dra. Ivy, Doc may tanong lang po ako kung ano po kaya yung reason bukod doon sa hindi po tayo makapag disseminate ng maayos tungkol po doon sa mga bakuna natin. Kasi meron naman po talaga every Wednesday may bakuna sa health center ng barangay."

DRA. IVY MARIE YRASTORZA "Isa po sa mga reason na nakikita namin is parang nasanay kasi yung mga nanay sa door to door vaccination. So, every time po na may program ang DOH tas nagbabahay-bahay kami, nakikita namin na hindi kumpleto yung bakuna then pag tinanong namin na "bakit hindi kumpleto yung bakuna", ang sagot samin "eh diba nag do-door to door naman kayo? Hihintayin na lang namin kayo"."

DRA. IVY MARIE YRASTORZA "Kaya po kami napipiliitan mag door to door kasi nga po hindi po sila pumupunta which is pag nag door to door kami napapabayaang po yung ibang mga health services, hindi lang naman yun ang ginagawa namin."

COUN. REYNALDO PALABRICA "Siguro yung proper dissemination makiusap na lang tayo sa mga barangay officials na kapag may event kayo, basketball man yan or kahit anong event baka pwede niyo naman isingit."

DRA. IVY MARIE YRASTORZA "I believe lahat naman po ng barangay may FB page, social media account. Tulungan niyo rin po kami na mag post sa inyong mga social media pages, para mapaalam po natin sa ating mga constituents na hindi alam yung mga libreng serbisyo. Na hindi alam kung saan yung mga health centers, I-disseminate po natin."

COUN. REYNALDO PALABRICA "So the motion for adjournment of this hearing."

COUN. PALM ANGEL BUNCIO "I respectfully moved to adjourned the committee hearing."

COUN. REYNALDO PALABRICA "Seconded, any objection? Therefore, this hearing is now adjourned."

The committee hearing ended at 10:15 am.

PCO 2024-223 – AN ORDINANCE GRANTING FREE BASIC LABORATORIES FOR PREGNANT WOMEN IN THE CITY OF BACCOOR

Office of the Sangguniang Panlungsod
Received by: Janet Pineda
Date: 4/10/2024
Time: 10:00 AM

**AN ORDINANCE GRANTING FREE BASIC LABORATORIES FOR
PREGNANT WOMEN IN THE CITY OF BACOOR**

Authored by:

Hon. Reynaldo D. Palabrica

Whereas, it is a declared policy of the State that the rights to health is a fundamental principle guaranteed by the State, as emphasized under Section 12, Article II of the 1987 Constitution. It is the duty of the State to protect the life of the mother and the life of unborn from conception. The State shall protect and promote the right to health of women especially mothers' in particular and of the people in general and instill health Consciousness among them.

Whereas, RA No. 11148 or the Kalusugan at Nutrisyon ng Mag-Nanay Act states that all key agencies and stakeholders shall develop and implement a comprehensive and sustainable strategy for the first one thousand days (1,000) of life to address the health, nutrition and developmental problems affecting infants, young children, adolescent females, pregnant and lactating mothers.

Whereas, DOH Administrative Order No. 2016- 00035 Guidelines in the Provision of Quality Antenatal Care in all Birthing Centers and Health facilities Providing Maternity Care Services provides that all pregnant women shall be provided with focused ante-natal care including basic laboratory tests and screening tests for sexually transmitted infections if available at the facility.

Whereas, RA No. 11166 Philippine HIV and AIDS Policy Act provides that Preventing Mother to Child HIV Transmission (PMTCT) shall include voluntary HIV testing, counseling and referrals to HIV treatment and care.

Whereas, basic laboratory tests provided by health centers and other government facilities include HIV, HBsAg, Syphilis, Urinalysis, CBC, (depending on availability of supplies). Funding for these free basic laboratory tests will come from the City Health Services of the City of Bacoor.

Now Therefore, be it ordained by the Sangguniang Panlungsod assembled in a Regular Session, upon the motion of Hon. Reynaldo Palabrica that the PCO No. 2024-223 known as "An Ordinance Granting Fre Basic Laboratories for pregnant women in the City of Bacoor, Cavite and providing funds Herefore".
