SUBJECT: Request for Authority to Enter into and Sign the Lease Agreement with the Cavite Merchants Property and Management Corp.

Dear Hon. Bautista-Mendiola:

*Greetings in the name of public service!*

Section 3(f) of Republic Act No. 7160, otherwise known as the Local Government Code of 1991, provides that the participation of the private sector in local governance, particularly in the delivery of basic services, shall be encouraged to ensure the viability of local autonomy as an alternative for sustainable development.

The City Government of Bacoor envisions itself as a model first-class city. It has a mission to institute and promote the well-being and general welfare of its constituents. To fulfill this noble mission, the City Government positioned itself in the forefront of providing the essential needs for the people of the City including the management and maintenance of its public markets.

Currently, the City Government is incurring substantial expenses and costs in managing, operating and maintaining the Public Market, including paying off the loan earlier obtained by the City Government from the GSIS Family Savings Bank to finance the construction thereof. Further, it is acknowledged that the private sector is more capable of operating the public market profitably so that it can generate sufficient revenues to service the loan and sustain its operations.
