Subject: *A RESOLUTION DECLARING A MORATORIUM ON THE ESTABLISHMENT OF GASOLINE STATIONS WITHIN THE CITY OF BACOOR, CAVITE. (PCR 662-2024 dated August 27, 2024).*

During the 105th Regular Session of the 5th Sangguniang Panlungsod, chaired over by Presiding Officer, Vice Mayor Rowena Bautista-Mendiola, held on August 27, 2024 at the Sangguniang Panlungsod (SP) Session Hall, 6th Flr. City of Bacoor Legislative and Disaster Resilience Building, Bacoor Government Center. The above subject was referred to the Committee on Labor, Trade Commerce and Industry as the lead committee and the Committee on Rules and Privileges, Laws and Ordinances as the subcommittee.

The first joint committee hearing was held on September 19, 2024, 1:00 pm at the MSBR Conference Room, 4th floor of the Sangguniang Panlungsod. It was headed by the Coun. Reynaldo Fabian. In attendance were Coun. Roberto Advincula, Coun. Michael Solis and Coun. Adrielito Gawaran.

The resource persons were as follows:

- Mr. Christian Gawaran – OIC, Business Permit and Licensing Department of the City Government of Bacoor
- Ms. Sallie Lacson – Bacoor Gasoline Station Association
- Mr. Jovies Peres – Bacoor Gasoline Station Association

Ms. Lacson mentioned that during the earlier times, the selection of dealers wasn't based solely on the capacity to pay. The selection process includes panel interviews and trainings. Nowadays, all you have to do is pay. In addition, there are lots of gasoline stations being erected. Molino Boulevard used to have fourteen (14) gasoline stations.

Mr. Gawaran stated that there was a moratorium, but it was lifted later on. Due to client division, the owners/association has consistently appealed over the last five (5) years. Nowadays, gas stations seldom provide repair services and just sell fuel products. Due to the large number of stations, they usually reduce their prices.

Ms. Lacson said that because they were under contract, the company is the only source of their supplies, unlike individual players who could get their products from various suppliers.

The session adjourned at 1:45 pm.

Subject : Request for Moratorium on Gasoline Station

Dear Mayor,

Greetings!

We at the Bacoor Gasoline Station Association would like to thank your good office for your usual support to the businesses in the City of Bacoor. Your advocacy in uplifting the economic situation is very much appreciated including the collaboration with different National Agency affecting our industry like DOE, DOLE, DTI and many more.

We would like to request from your good office consideration concerning the opening of new gasoline station in the City of Bacoor. We believe that a balance distribution on number and kind of available businesses in the city should also be considered to reach the needs of the consuming public. Our city is saturated already with more than 60 gasoline stations sharing the volume of fuel requirements of the constituents of the city. All of which businesses have invest and serve the community with a reasonably priced and quality products. Moreover all this gasoline stations have bear the effect of pandemic and the current inflation which have cause an increase on cost of business operations.

Furthermore, we have expressed already our intention from our last meeting in January for the of temporary halt on granting of approval to all gasoline station installation request in the city. Businesses operating side by side gas stations will only lead to uncertainty, closure or pre termination of contract to existing businesses which is unhealthy to the business society.

We are appealing to your good office to consider the existing gasoline dealers situation and the above reasons to consider a moratorium for this kind of business.

We look forward for your consideration and usual support on this matter.

Truly yours,

Samie C. Lacson
President – Bacoor City Gasoline Stations Association
