**JOINT COMMITTEE REPORT  
No. ENR 01-S-2025**

Office of the Sangguniang Panlungsod  
Received by: Jenet Pring  
Date: 07 JUL 2025  
Time: 1:29pm

**Subject: (PCO 2025-020) AN ORDINANCE PROHIBITING ALL HOUSEHOLD, RESTAURANT, CANTEENS AND OTHER FOOD ESTABLISHMENTS FROM DUMPING USED COOKING OIL AND GREASE TRAP WASTE DOWN DRAINAGE PIPES, REGULATING THE DISPOSAL, SALE, AND PROCESSING OF USED COOKING OIL AND/OR GREASE TRAP WASTE, MANDATING THEIR COLLECTION BY ACCREDITED COLLECTING ENTITIES TO PREVENT FLOODING AND PROVIDING PENALTIES FOR VIOLATIONS HEREOF. (Date referred July 7, 2025)**

The Committee held a committee meeting on 11 July 2025 at the MSBR Conference Room 4th Floor Bacoor Legislative & Disaster Resilience Building, Bacoor Government Center, Bacoor City, Cavite. Two public hearings were held on 16 July 2025 and 30 July 2025, respectively, at the Session Hall of the Sangguniang Panlungsod on the 6th Floor of the Bacoor Legislative & Disaster Resilience Building, Bacoor Government Center, Bacoor Boulevard, Brgy Bayanan, City of Bacoor, Cavite. The said public hearings were attended by various stakeholders.

Invitations to the said stakeholders were sent via email and notices on the schedule of the said public hearings were published on the Facebook page and website of the Sangguniang Panlungsod. The said Notice of Hearing was also published on the July 13-30, 2025 issue of the Souther Sparkle News and were posted at the following places: the Zapote Public Market, the Bacoor Government Center, and the Padre Mariano Gomez Plaza near the Hall of Justice starting on 14 July 2025.

Copies of the proposed ordinance was sent to the said stakeholders via email before the 16 July 2025 hearing. Beginning on 14 July 2025, a PDF copy of the proposed ordinance was also posted on the official website of the Sangguniang Panlungsod ([www.bacoorcitysp.com](http://www.bacoorcitysp.com)) and a link was provided to facilitate access to, and downloading for free of, the proposed legislation.

The said hearings were presided over by the Chairperson of the Committee on Environment and Natural Resources, Hon. Levy M. Tela. The minutes, attendance sheets, and photos, during the said hearings were attached hereto and shall be made integral parts of this report.

## FINDINGS:

The proposed ordinance seeks to ban the indiscriminate disposal of used cooking oil and grease trap waste into the drainage systems by households, restaurants, canteens, and other food establishments situated in the City of Bacoor which has been identified as a major contributor to clogged sewer lines which result in environmental degradation and give rise to various sanitation issues. The ordinance aims to encourage the public to participate in the proper collection, treatment, processing, and disposal of used cooking oil so that it can be converted to biodiesel and minimize its environmental impact.

After listening to the various suggestions aired during the said public hearings, the Committee believes that some of its provisions should be amended. The provisions of the proposed ordinance that the Committee proposes to be amended are as follows:

Original Provision of PCO 2025-020	Proposed Amendments July 11, 2025	Proposed Amendments July 16, 2025
<b>WHEREAS</b> , It has come to the knowledge of the Sangguniang Panlungsod that unscrupulous private entities collect used oil from various commercial establishments within the city and — after physically removing food debris found thereon — resell the same in public markets or sari-sari stores thus endangering public health.		<b>WHEREAS</b> , it has come to the knowledge of the Sangguniang Panlungsod that unscrupulous private entities collect used <u>cooking</u> oil from various commercial establishments within the city and — after physically removing food debris found thereon — resell the same in public markets or sari-sari stores thus endangering public health.

#### RECOMMENDATION:

In view of the foregoing, the committee respectfully recommends that the Sangguniang Panlungsod **APPROVE** on second reading Proposed City Ordinance No. 2025-020 entitled: **"AN ORDINANCE PROHIBITING ALL HOUSEHOLDS, RESTAURANTS, CANTEENS AND OTHER FOOD ESTABLISHMENTS FROM DUMPING USED COOKING OIL AND GREASE TRAP WASTE DOWN DRAINAGE PIPES, REGULATING THE DISPOSAL, SALE, AND PROCESSING OF USED COOKING OIL AND/OR GREASE TRAP WASTE, MANDATING THEIR COLLECTION BY ACCREDITED COLLECTING ENTITIES TO PREVENT FLOODING AND PROVIDING PENALTIES FOR VIOLATIONS HEREOF."**

**WE HEREBY CERTIFY** that the contents of the foregoing report are true and correct.

Signed this 1st day of August 2025 at the City of Bacoor, Cavite.

Time: 1:20 pm

Subject: ***AN ORDINANCE PROHIBITING ALL HOUSEHOLD, RESTAURANT, CANTEENS AND OTHER FOOD ESTABLISHMENTS FROM DUMPING USED COOKING OIL AND GREASE TRAP WASTE DOWN DRAINAGE PIPES, REGULATING THE DISPOSAL, SALE, AND PROCESSING OF USED COOKING OIL AND/OR GREASE TRAP WASTE, MANDATING THEIR COLLECTION BY ACCREDITED COLLECTING ENTITIES TO PREVENT FLOODING AND PROVIDING PENALTIES FOR VIOLATIONS HEREOF. (PCO 2025-020 dated July 7, 2025).***

Attendance: See attached attendance sheets

Venue: SP Session Hall, 6th Floor, BLDR Bldg., BGC, Bacoor City, Cavite

Date/Time: 30 July 2025, 1:20 pm to 2:21 pm

Introduction: Hon. Levy Tela explained that every day, thousands of liters of used cooking oil and grease trap waste are disposed of by households and food establishments, down sinks, drains, and waterways. This not only causes blockages in our drainage systems, which lead to severe flooding, but also harms our environment and can pose a threat to the health of our communities.

This ordinance is not meant to intimidate or punish, but rather to invite collective action. We aim to achieve a clean environment, safe communities, and responsible waste management especially for things we often think of as simple waste, like used cooking oil.

Through our cooperation from ordinary households to large restaurants and businesses we can achieve this goal. May our minds remain open to the purpose of this ordinance, let us engage in meaningful dialogue, and above all, support this advocacy for the benefit of all.

Republic of the Philippines  
Province of Cavite  
**CITY OF BACOOR**  
OFFICE OF THE SANGGUNIANG PANLUNGSOD

CESD: On behalf of the City Environment and Sanitation Department (CESD), we express our full support for the approval of this ordinance. This measure will help strengthen the implementation of our existing ordinances and policies, particularly those aligned with national laws such as Republic Act No. 6969, also known as the Toxic Substances and Hazardous and Nuclear Waste Control Act of 1990. That would be all. Thank you very much. This ordinance will serve as a baseline for our ongoing initiatives, especially under the Save Manila Bay Task Force, in our efforts to prevent further flooding and environmental degradation. It will also reinforce the implementation of the Liquid Waste Management Cluster in our city.

OCHS: In behalf of Doctora Ivy, we would like to share that we have already discussed the topics mentioned here earlier with the engineer from CENRO. With that, we have nothing further to add. Thank you.

Brgy. Molino 3: This draft ordinance is commendable, and we hope it will be pursued and finalized. Thank you very much, and good afternoon.

Brgy QRC: For me, I agree that we should continue with this program, because that has been a recurring problem in our area. It's not just an issue affecting the drainage system, if possible, we should also address the use of disposable gas canisters, which are often used by vendors. These canisters are frequently what I find when we clean or dig out the drainage.

Adjourned: Hon. Tela adjourned the hearing was adjourned at 2:21 pm.

NO. ENR 01-S-2025

Office of the Sangguniang Panlungsod  
Received by: Janet P. [Signature]  
Date: 16 July 2025  
Time: 1:10 pm

Subject: PCO 2025-02- AN ORDINANCE PROHIBITING ALL HOUSEHOLD, RESTAURANT, CANTEENS AND OTHER FOOD ESTABLISHMENTS FROM DUMPING USED COOKING OIL AND GREASE TRAP WASTE DOWN DRAINAGE PIPES, REGULATING THE DISPOSAL, SALE, AND PROCESSING OF USED COOKING OIL AND/OR GREASE TRAP WASTE, MANDATING THEIR COLLECTION BY ACCREDITED COLLECTING ENTITIES TO PREVENT FLOODING AND PROVIDING PENALTIES FOR VIOLATIONS HEREOF. (0 dated July 7, 2025).

Attendance: See attached attendance sheets

Venue: SP Session Hall, 6th Floor, BLDR Bldg., BGC, Bacoor City, Cavite

Date/Time: 16 July 2025, 1:10 pm to 3:11 pm

Introduction: Mr. Ric Pastrano, a chemist, clarified that the white foam often seen in rivers, especially near dams, isn't actually soap. He explained that its methane gas produced by cyanobacteria, which thrive on food scraps mixed with used cooking oil. He warned that this foam can be hazardous, if it comes into contact with something like a lit cigarette in a confined area such as a culvert or pipe, it could lead to an explosion. He cited a past incident at an Ayala Mall, where methane buildup in a septic tank caused a blast.

Mr. Pastrano also discussed the health risks associated with cooking practices. When cooking oil is overheated until it smokes, it releases a substance called acrolein. Breathing in acrolein has been linked to breast cancer in women. This is believed to be one reason why the Philippines has the highest rate of breast cancer among women in Southeast Asia. In other countries, people tend not to reuse cooking oil, but in the Philippines, reusing oil multiple times is common. Moreover, modern kitchens are often enclosed without proper ventilation, unlike traditional open-air kitchens. As a result, many people, especially those living in condos or apartments end up inhaling harmful cooking fumes.

Republic of the Philippines  
Province of Cavite  
**CITY OF BACOR**  
OFFICE OF THE SANGGUNIANG PANLUNGSOD

CGBR-SPBac-F01.02

01/20/2025

He also noted that used cooking oil is often collected from restaurants, a fact confirmed during a council meeting with some restaurant owners. However, the problem is that many of these oil collectors simply filter the oil, repackage it, and sell it in local markets. According to regulations by the Environmental Management Bureau (EMB), used cooking oil is classified as toxic and unfit for human consumption, as it poses risks for cancer and heart disease.

Another concern he raised is that cooking oil solidifies when temperatures drop to 21°C or lower, especially during the rainy season. Once it hardens in cold pipes, it doesn't melt easily and behaves like a solid block. This contributes to clogged drainage systems, worsening urban flooding.

Proposed Ordinance	Additional Recommendation
<b>Section 3. Prohibited Acts.</b> The following acts are hereby prohibited:  3.4. The failure of any city government employee, HOA official/s, or barangay officials and/or employees to implement this Ordinance and/or its IRR.	<b>Section 3. #### Proposed Revised Environment Code of the City of Bacoor (PCO No. 2025-020)

- Attendance: Hon. Levy M. Tela (Chairman, Committee on ENR)  
Atty. Khalid Atega Jr. (SP Secretary)  
Mr. Ric Capistrano (CBR Beyond Technology)  
Ms. Klan Alison (Bioten Energy Inc.)  
Ms. Shirley Anne Gomez (BPLD)  
Engr. Paula Mercado (CESD)  
Ms. Ma. Victoria Magpantay (OCHS)  
Atty. Salve Valenciano (OCLS)  
Ms. Elena Sombrano (Secretary, Committee on ENR)
- Venue: MSBR Conference Room 4th Floor, BLDR Bldg., BGC, Bacoor City, Cavite
- Date/Time: 11 July 2025, 2:12 pm to 4:05 pm
- Introduction: Atty. Atega informed the resource persons that he was directed by the Committee to meet with them for a review of the proposed ordinance. He further explained that they would be given the opportunity to comment on each word or phrase in the draft ordinance, and that their comments and suggestions would be reported back to the Committee. The resource persons acknowledged their understanding of Atty. Atega's explanation and expressed their willingness to cooperate with the Committee.
- Proposed amendments: The resource persons proposed that the following amendments be made to draft ordinance:

Original Provision of PCO 2025-020	Proposed Amendments to PCO
<b>Section 2. Coverage.</b> This Ordinance shall cover all residential buildings and all commercial and institutional establishments situated in, or doing business at the City of Bacoor, Cavite	<b>Section 2. Coverage.</b> This Ordinance shall cover all residential buildings and all <u>food carts, carinderias</u> , commercial and institutional establishments situated in, or doing business at, the City of Bacoor, Cavite.
<b>SECTION 4. DEFINITION OF TERMS</b>	<b>SECTION 4. DEFINITION OF TERMS</b>

4.4. "Food establishments" are restaurants, bars, canteens, carinderias, and other similar operations engaged in the sale or distribution of food in the City of Bacoor located within commercial buildings, schools, or hospitals. A building is considered "commercial" if it is intended wholly or in part to sell products or services to the public.

4.11. "Biodiesel" is a renewable, biodegradable fuel manufactured domestically from vegetable oils, animal fats, or recycled restaurant grease.

**Section 6. Implementing Departments.**  
The City Environment Services Department (CESD) shall implement this Ordinance and its IRR. The CESD, shall submit monthly written reports to the City Mayor and to the Sangguniang Panlungsod containing data on the amount of used cooking oil and grease trap waste collected per month, the number of households or food establishments that comply with this Ordinance, and the number of HOAs and barangays that have assisted the said department in implementing this legislation.

Section 2. Coverage -

## Section 8. Penalties

8.2. The manager or owner of any food establishment that unjustifiably fails to give the used cooking oil and/or grease trap waste that the said establishment used/produced to the duly accredited private collection entities on the assigned collection day thereof, or who improperly disposed, sold, or processed used cooking oil or grease trap waste shall pay a fine of P5,000.00 for each violation of this provision as determined by the CESD. The failure of the said manager or owner to comply with this provision for two or more occasions within a thirty-day period shall result in the suspension of the business

4.4. "Food establishments" are restaurants, bars, canteens, carinderias, food carts and other similar operations engaged in the sale or distribution of food in the City of Bacoor located within commercial buildings, schools, households or hospitals. A building is considered "commercial" if it is intended wholly or in part to sell products or services to the public.

4.11. "Biodiesel" is a renewable, biodegradable fuel manufactured domestically from vegetable oils, animal fats, microbial, or recycled restaurant grease.

**Section 6. Implementing Departments.**  
The City Environment Services Department (CESD), the Business Permits and Licensing Department (BPLD) and the Office of City Health Services (OCHS) shall implement this Ordinance and its IRR. The CESD, BPLD and the OCHS shall submit monthly written reports to the City Mayor and to the Sangguniang Panlungsod containing data on the amount of used cooking oil and grease trap waste collected per month, the number of households or food establishments that comply with this Ordinance, and the number of HOAs and barangays that have assisted the said department in implementing this legislation.

## Section 8. Penalties

8.2. The manager or owner of any food establishment that unjustifiably fails to give the used cooking oil and/or grease trap waste that the said establishment used/produced to the duly accredited private collection entities on the assigned collection day thereof, or who improperly disposed, sold, or processed used cooking oil or grease trap waste shall pay a fine of P5,000.00 for each violation of this provision as determined by the CESD. The failure of the said manager or owner to comply with this provision for two or more occasions within a thirty-day period shall result in the suspension of the business

permit of the said establishment and in its closure by the BPLD for ten (10) successive days.	permit of the said establishment and in its closure by the BPLD for ten (10) successive days <u>or until the said food establishment has complied with this Ordinance.</u>
<b>Section 11. Duties of Private Collection Entities</b>  11.3. Assist the city government in educating the public on the provisions of this Ordinance and its IRR and on its significance in protecting the environment and preventing flooding and adverse health reactions.	<b>Section 11. Duties of Private Collection Entities</b>  11.3. Assist the city government in educating the public on the provisions of this Ordinance and its IRR and on its significance in protecting the environment and preventing flooding <u>and adverse health reactions.</u>
<b>Section 12. Implementing Rules and Regulations.</b> The CESD, with the assistance of the Office of City Legal Services, shall submit the IRR of this Ordinance for the approval of the City Mayor not later than sixty (60) working days from the date of effectivity hereof.	<b>Section 12. Implementing Rules and Regulations.</b> The CESD, <u>and OCHS</u> with the assistance of the Office of City Legal Services, shall submit the IRR of this Ordinance for the approval of the City Mayor not later than sixty (60) working days from the date of effectivity hereof.

6. Adjourned: Atty. Atega adjourned the meeting at 4:05 p.m.
