Attached hereto is the draft measure denominated as the "Open Infrastructure and Public Oversight Mechanism," together with the Executive Order provisionally convening it as an administrative mechanism under the Office of the City Mayor. The Sangguniang Panlungsod is hereby **requested to enact, with all deliberate speed, an ordinance giving this mechanism permanent legal personality within the City Government of Bacoor, defining its composition and powers, and appropriating such funds as are necessary for its continuous operation.** The necessity of OpenInfra admits of no debate: **first**, no public work, however monumental, achieves legitimacy absent the bedrock of public trust and citizen oversight; **second**, fiscal transparency and multi-sectoral participation are constitutional imperatives, not discretionary options; and **third**, the City's S.T.R.I.K.E. Governance Framework attains its full transformative force only when its infrastructure pillar is anchored on a permanent institutional mechanism transcending the tenure of any administration.

Accordingly, the Sangguniang Panlungsod is requested to take appropriate legislative action so that this executive initiative may be translated into **enduring legislation worthy of Bacooreño's trust and the City's aspirations.**

**AN ORDER DECLARING THE “OPEN INFRASTRUCTURE AND PUBLIC OVERSIGHT MECHANISM” WITHIN THE CITY OF BACOR, CONVENING A MULTI-STAKEHOLDER OVERSIGHT GROUP FOR THE TRANSPARENT, ACCOUNTABLE, AND PARTICIPATORY GOVERNANCE OF ALL LOCAL INFRASTRUCTURE PROJECTS AND INTEGRATING THE SAME AS A PRIORITY IMPLEMENTATION MEASURE UNDER THE S.T.R.I.K.E. GOVERNANCE FRAMEWORK**

**WHEREAS**, pursuant to Section 28, Article II of the 1987 Constitution, the State adopts, institutionalizes, and implements as a standing mandate the policy of *full and faithful disclosure of all its transactions involving public interest*, subject only to those reasonable conditions prescribed by law, the same being indispensable to the vitality of a republican and democratic polity;

**WHEREAS**, Section 7, Article III of the 1987 Constitution does further *enshrine the inviolable right of the people to information on matters of public concern*, which right is not a mere privilege but a constitutional guarantee of the highest order, meant to ensure that the governed shall never be estranged from the acts of their governors;

**WHEREAS**, Section 16, Article XIII of the same Constitution categorically ordains that the *right of the people and their organizations to effective and reasonable participation at all levels of social, political, and economic decision-making shall not be abridged*, and mandates the State to establish adequate consultation mechanisms, thereby consecrating participation as a pillar of governance, not an afterthought thereof;

**WHEREAS**, the administration of the City Government of Bacoor has deemed it essential, proper, and just to institutionalize a coherent and comprehensive system of executive governance through the policy framework denominated as **S.T.R.I.K.E. Governance Framework**, encompassing the indivisible pillars of *Social Services, Transformative Administration and E-Governance, Revenue and Financial Stewardship, Infrastructure and City Development, Key Facilities and Property Management, and Environment, Sanitation, Security, Peace and Order*;

**WHEREAS**, the said **S.T.R.I.K.E. Governance Framework** is not an aspirational declaration but a *mandatory operational charter* under which all public undertakings are to be aligned, harmonized, and executed with discipline and fidelity;

**WHEREAS**, under the “I – Infrastructure, Housing, and City Development Management” pillar, the City of Bacoor recognizes that infrastructure development constitutes the sinew and backbone of sustainable growth, the same being inseparable from socialized housing, zoning enforcement, and equitable urban design, and therefore requires the establishment of a transparent and participatory oversight mechanism;

**EXECUTIVE ORDER**

**WHEREAS**, it is an immutable principle of *public administration and constitutional accountability* that no infrastructure, however grand in conception, may be deemed legitimate unless it is built upon the foundation of public trust, civic participation, and fiscal transparency;

**WHEREAS**, the **OpenInfra framework** stands as a principal priority of the "I – Infrastructure" pillar of S.T.R.I.K.E., by institutionalizing multi-sectoral vigilance as a counterweight to waste, corruption, and mismanagement, ensuring that the people themselves are active custodians of the very projects funded by their taxes;

**WHEREAS**, the City Government of Bacoor acknowledges that infrastructure development without oversight is but an empty promise, for public works are not judged merely by the roads, bridges, and buildings erected, but by the manner in which they are conceived, procured, and delivered in fidelity to the highest standards of justice and efficiency;

**WHEREAS**, the philosophy of **S.T.R.I.K.E. Governance** compels the integration of "OpenInfra" as a binding operational mechanism, lest infrastructure programs remain captive to bureaucratic opacity, contractor dominance, or administrative arbitrariness;

**WHEREAS**, it is the solemn duty of this Office to issue directives that are not perfunctory but transformative, giving full effect to the constitutional mandate that all government authority emanates from the people and that public office is a public trust which demands transparency and accountability in every contract, project, and expenditure;

**WHEREAS**, the institutionalization of "OpenInfra" shall not only prevent malfeasance but shall also elevate public confidence in governance, inspire participatory citizenship, and reinforce the moral compact between the City Government of Bacoor and its people;

**NOW, THEREFORE, I, STRIKE B. REVILLA**, Mayor of the City of Bacoor, Cavite, by virtue of the powers vested in me by law, do hereby order as follows:

**SECTION 1. Title.** This Executive Order shall be formally cited, referred to, and known in all official records, instruments, proceedings, and publications as the: **"An Order Declaring the "Open Infrastructure And Public Oversight Mechanism" within the City of Bacoor, Convening a Multi-Stakeholder Oversight Group for the Transparent, Accountable, and Participatory Governance of All Local Infrastructure Projects and Integrating the Same as a Priority Implementation Measure Under the S.T.R.I.K.E. Governance Framework."**

For brevity, emphasis, and practical usage in subsequent issuances, deliberations, and administrative references, the foregoing enactment may, with equal dignity and authority, also be denominated and invoked as the: **"Open Infrastructure and Public Oversight Executive Order (OpenInfra EO)."**
