

## COMMITTEE ON RULES AND PRIVILEGES, LAWS AND ORDINANCES

### COMMITTEE REPORT

CRPLO-008-2025

PCR-039-2025

Office of the Sangguniang Panlungsod  
Received by: Agust P. Pina  
Date: 1 AUG 2025  
Time: 9:28 am

Subject: *A resolution authorizing the City Mayor to file the appropriate legal action against various public utility companies doing business in the City of Bacoor, Cavite for endangering and inconveniencing the public with the placement of utility poles on the middle sidewalks and roads and for failing to remove unused and abandoned wires and cables dangling on the said poles.*

(Date referred: July 21, 2025)

The above-mentioned proposed resolution underwent its first reading on July 21, 2025 during the 3<sup>rd</sup> Regular Session of the 6<sup>th</sup> Sangguniang Panlungsod. The said proposed resolution was referred by the Acting Presiding Officer, City Councilor and President Pro-Tempore Hon. Reynaldo C. Palabrica the Committee on Rules and Privileges, Laws and Ordinances.

The Committee on Rules and Privileges, Laws and Ordinances sent out invitations to the resource persons and conducted a committee hearing on the above-subject matter on August 08, 2025 at the Session Hall of the Sangguniang Panlungsod of the City of Bacoor. Attached hereto are the attendance sheet and photos taken during the said hearing.

### FINDINGS:

City Ordinance No.2013-051 or the "**Anti-Dangling Wire Ordinance of the City of Bacoor**" was enacted in 2013 primarily to regulate the installation and maintenance of electric poles and wires, cables for television, and telephone/telecommunication poles, towers and cables/wires distribution lines of various public utility companies in the City of Bacoor.

COMMITTEE REPORT CRPLO-008-PCR-039-2025

Page 1

Resolution authorizing the City Mayor to file legal action vs public utility companies

Under the said ordinance, the City Engineering Office is primarily tasked to ensure that installation of poles by the public utility companies conforms with the established standards and that prior approval of the City Engineering Office has been secured.

Despite the existing regulatory policies, certain public utility companies continue to violate regulations in installing poles in areas designated for drainages, drainage/sidewalk, endangering the pedestrians, obstructing public access, and aggravating the flooding especially in low-lying communities.

The City Engineering Office conducted a series of road inspections and confirmed that some public utility poles were improperly constructed on sidewalk and drainage easements, and that unused utility wires were left dangling from poles along major roads in the City of Bacoor in violation of applicable ordinance and national laws.

#### **RECOMMENDATION:**

After a thorough review of all the circumstances and statements from the resource persons, and the provisions of the proposed resolution, the Committee respectfully recommends that the Sangguniang Panlungsod approve a resolution authorizing the City Mayor Hon. Strike B. Revilla or his duly designated representative, to initiate and file appropriate legal action against non-compliant public utility companies regarding installation and maintenance of public utility poles on 2<sup>nd</sup> reading during its next regular session.

**WE HEREBY CERTIFY** that the contents of the foregoing report are true and correct. Issued this 8<sup>th</sup> day of August 2025 at the City of Bacoor, Cavite.

**COUN. HORACIO BRILLANTES** "Good Morning Mr. Chair, thank you, good morning everyone."

**COUN. REYNALDO C. PALABRICA** "From District 2, Hon. Simplicio Domiguez."

**COUN. REYNALDO C. PALABRICA** "Thank you. From the Engineering Department, kindly introduce yourself for the record and your representation."

**ENGR. ELGIE ANDAYA** "Good morning po Mr. Chair. I'm from the engineering department po, Engr. Elgie Andaya. Before po ako yung nagha handle ng ating Anti-dangling operations. Before po usually ang ating operations po ay every Tuesday, kada every week po yun, not unless hindi maganda ang ating weather."

**COUN. REYNALDO C. PALABRICA** "Ok, thank you."

**COUN. REYNALDO C. PALABRICA** "Also from District 2, Hon. Councilor Bok Nolasco."

**COUN. ROGELIO M. NOLASCO** "Good morning po."

**COUN. REYNALDO C. PALABRICA** "From District 1, Hon. Councilor Levy Tela."

**COUN. LEVY M. TELA** "Good morning Mr. Chair, good morning resource persons."

**COUN. REYNALDO C. PALABRICA** "Ok. The propose resolution is us the Sangguniang Panlungsod to issue a resolution authorizing the City Mayor or the Legal Services Department of the City Government to file charges against utility companies for violating our existing anti-dangling wire ordinance of Bacoor. And also because of the poles that are being erected in inappropriate locations that endanger public safety."

**COUN. REYNALDO C. PALABRICA** "So engineering napaka-importante ng role mo dito. Totoo ba na meron, kase gusto ng City Government kasuhan itong mga utility companies eh. Totoo ba na meron talaga?"

**ENGR. ELGIE ANDAYA** "Ahh yes po, totoo po."

**COUN. REYNALDO C. PALABRICA** "Ahh totoo. Anong prueba na pwede mo ipakita na totoo yun?"

**ENGR. ELGIE ANDAYA** "Ahh during inspection po, lalo na po sa kahabaan ng Molino road, mula Aniban hanggang kanto po ng Bacoor Boulevard. Sobrang dami po, mga Telco poles, meron na rin pong Meralco poles na kung saan nasa gitna po sila ng sidewalk na kung saan minsan kailangan pa pong dumaan sa kalsada ng ating mga tao para maiwasan lang ang mga poste."

**COUN. REYNALDO C. PALABRICA** "Ok. Meron ba kayong documentary requirement as proof na maisa submit sa Sanggunian, pictures man lang ng mga poles na yan. Kase magiging basis ng desisyon naming yan eh. Makakapag submit ka ba?"

**ENGR. ELGIE ANDAYA** "Makakapag provide naman po within this day."

**COUN. REYNALDO C. PALABRICA** "Withing this day? So may violations talaga. From Legal, ahh please introduce yourself."

**ATTY. SALVE VALENCIANO** "Good morning po. Good morning sa members ng Honorable Committee. Salve Valenciano po from the Office of the City Legal Service, mabuhay po and apology po for the late coming."

**COUN. REYNALDO C. PALABRICA** "Thank you Atty. Bambi. The Executive Department is requesting the Sangguniang Panlungsod to pass a resolution to file a case or cases against public utility companies. I assume nabasa ninyo naman yung agend for today ano? Lahat ba ito kakasuhan, lahat ng utilities, ano plano ng Legal, kase di ba kayo ang magpa file?"

**ATTY. SALVE VALENCIANO** "For this matter po Mr. Chair, personally I have no knowledge pa po as to the specific case, halimbawa po, at tsaka po kung meron na po talagang identified public utility company na plano na pong kasuhan. Since po na, naisubmit po ito ahh, na receive po ito ng aming opisina last Monday lang po, wala naman po ini endorsement sa amin galing sa Office of the Mayor or sa Office of the City Administrator, ahh kung meron na pong mga specific na kakasuhan. Although I must say po na I was able to attend po yung mga ilang meetings before. For example po for the Meralco, although the meeting with the Meralco kase po entails several subject matter, meron pong

real property, one of which din po yung sinasabing naitayo sa drainage mismo or sa sidewalk, which is po yung public access ay nare restrict. So during that meeting po, the agreement is parang I remove, parang inutusan po ni Mayor through the City Admin na sabihan si Meralco na ayusin nyo yan, alisin nyo yan. So yun lng po on my personal knowledge, idea lang po kung ito po bang directive has already been adhered to by the utility company and kung ano na po ang next action.

**COUN. REYNALDO C. PALABRICA** "Maybe not yet kaya gusto na mag file ng kaso. So the engineering should provide evidences sa legal. Magkaron na lng kayo ng collaboration in order for us, the City Government to file yung matibay na kaso, hindi yung hilaw/"

**COUN. REYNALDO C. PALABRICA** "So mga kasama, malinaw naman yung sinasabi dito na hinihingi sa ating authorization, malinaw naman meron mga paglabag ang mga utilities at malinaw naman ahh. Isang kalinawan na lang, Engineering, kayo ba kinoll nyo ang attention ng mga utilities na ito dun sa kanilang mga poles, kanilang mga dangling wires?"

**ENGR. ELGIE ANDAYA** "Yes po Mr. Chair. Bale hindi lang po yung mga dangling wires ang aming kinoconcern, sinasama na rin po naming yung mga poste nilang nasa gitna ng kalsada."

**COUN. REYNALDO C. PALABRICA** "Kailan kayo sumulat sa mga utility companies na ito?"

**ENGR. ELGIE ANDAYA** "Yun lang po, wala po akong idea, hindi ko na po matandaan. Pero meron po."

**COUN. REYNALDO C. PALABRICA** "Can you provide us copies of those letters?"

**ENGR. ELGIE ANDAYA** "Ok po, isasabay ko po sa mga pictures."

**COUN. REYNALDO C. PALABRICA** "Mga kasama baka meron kayong gustong sabihin or gustong itanong. Wala na?"

**COUN. LEVY M. TELA** "Since there are no matters to be discussed, I moved for the adjournment of this committee hearing.

**COUN. REYNALDO C. PALABRICA** "Duly seconded, this hearing is now adjourned.

**OFFICE OF THE SANGGUNIAN PANLUNGSOD**

No. 6-S-2009 pursuant to the ratification of Republic Act No. 10160 on June 23, 2012 converting Bacoor into a component city of Cavite;

**NOW, THEREFORE**, during regular session assembled, upon motion of Councilor Edwin G. Gawaran duly seconded by Councilor Venus D. De Castro **BE IT ORDAINED AS IT IS HEREBY ORDAINED** by the Sangguniang Panlungsod to amend various sections of this Ordinance to read as follows, to wit:

**Section 1.** The following provisions of Municipal Ordinance No. 6-S-2009 are hereby amended and shall henceforth read as follows:

**"Article I. - GENERAL PROVISIONS**

**SECTION 1. Title-** This ordinance shall be known as "**Anti-Dangling Wire Ordinance of the City of Bacoor**".

**SECTION 2. Scope -** The provisions of this Ordinance shall cover the construction, installation and maintenance of electric poles and wires, cables for television, and telephone/telecommunication poles, towers and cables/wires within the territorial jurisdiction **of the City of Bacoor**.

**SECTION 3. Primary Responsibility-** The Office of the Building Official and the **Office of the City Engineer** shall develop an "Approved Pole Location Plan" which shall be the basis for the regulation of the construction and installation of distribution lines within **the City of Bacoor, Cavite**. Provided, that the said Approved Pole Location Plan must be in accordance with all pertinent laws. Provided, further, that the Office of the Building Official and the **Office of the City Engineer** of the **City of Bacoor** must work jointly in designing the said Approved Pole Location Plan which must be submitted for approval to the **Sangguniang Panlungsod** within ninety (90) days after the date of effectivity of this Ordinance. Provided, lastly, that the **Sangguniang Panlungsod** shall consult with representatives of the public utility companies concerned before the said Approved Pole Location Plan is approved by the **Sangguniang Panlungsod**.

**SECTION 4.- The Approved Location Plan.-** The Approved Pole Location Plan shall contain the following details:

1. Exact location and/or relocation site of electric/ telephone/ telecommunications poles and towers
2. Pole/Tower type
3. Allowed voltage of distribution lines
4. Clearances
5. Exact traverse point of conductors and drop wires

6. Other details as may be necessary for the effective implementation of this Ordinance.

**SECTION 5. - Prior Clearances.-** All public utility companies are expressly prohibited from installing, constructing, maintaining, or otherwise working on any distribution line/s located fully or partly within the City of Bacoor without first securing working permits/clearances from the Office of the City Engineer and the Bacoor Traffic Management Office (BTMO). Failure to obtain such work permits/clearances shall be deemed a violation of this Ordinance.

**SECTION 6.- Maintenance of Horizontal and Vertical Clearances.-** Horizontal and vertical clearances of distribution lines shall be maintained at all times in accordance with the Philippine Electrical Code I and II. All redundant, defective, or improperly located poles within the City of Bacoor, Cavite shall be removed by the city government without any need of notice to the public utility concerned if public safety is endangered by any delay in the removal of the said poles.

**Section 7. Installation of Large Utility Equipment.-** Installation and/or delivery of transformer/s, generator/s and other large utility equipments shall be allowed only from 10:00 PM to 5:00 AM. The said period maybe extended as the need arises and subject to the approval of the City Mayor. Prior installation and/or delivery of the above mentioned equipments or any other equipment that may clog vehicular traffic or otherwise pose a danger to public safety may only be done once clearances from the City Engineer's Office and BTMO has been obtained by the public utility company/ies concerned.

**SECTION 8. - Definition of Terms.-** As provided in this Ordinance, the following words and phrases shall mean:

1. **Approved Pole Location Plan:** A detailed plan designed to regulate the erection and maintenance of poles, towers, distribution lines, and other equipment of various public utility companies and private individuals.

2. **Electric Utility:** The Manila Electric Corporation also known as the "Meralco" or any other electric energy provider.

3. **Napocor:** The National Power Corporation.

4. **Revised Philippine Electrical Code (PEC 1 @ 2):** Updated edition of electrical code as formulated by the Institute of Integrated Electrical Engineers of the Philippines and approved by the Department of Public Works and

Highways as basis for regulation of all electrical installations in  
the Philippines.

6. **Service:** The conductors and equipment for delivering energy from the electricity supply system to the wiring system of the premises being supplied with electricity.

**8. Service Entrance:** The portion of the electrical system from the service drop wire to the service equipment of the premises being supplied with electricity.

10. **Service Lateral:** The underground service conductors between the street main, including any risers at a pole or other structure or from transformers, and the first point of connection to the service entrance conductors in a terminal box or meter or other enclosures with adequate space, inside or outside the building wall. Where there is no terminal box, meter or other enclosure with adequate space, the point of connection shall be considered to be the point of entrance of the service conductors into the building.

## ARTICLE II. – ELECTRICAL DISTRIBUTION LINES

**SECTION 9. - Tapping to an Electric Utility:** No building or structure shall be tapped to an electric utility without prior approval from the Office of the Building Official of the City of Bacoor.

**SECTION 10. – Single Service Entrance Policy:** When a single electrical characteristic is required by a newly constructed or renovated building, only one service entrance

Republic of the Philippines  
**CITY OF BACOR**  
Province of Cavite

**OFFICE OF THE SANGGUNIANG PANLUNGSOD**

shall be allowed except where fire pumps, legally required emergency standby power, or parallel power production where separate service is required by such newly-constructed or renovated building.

Additional entrance may be allowed if the capacity requirement is above 2000 amperes at a supply voltage of 600 V or less and the total floor area of the building is 10,000 square meter and above or one lot dimension is 100 meters and above.

**SECTION 11. - Maintenance and Installation Space:** All newly constructed or renovated commercial building shall allocate adequate space solely for electrical equipments installation and maintenance. The size of the area shall comply with the requirements of the Revised Philippine Electrical Code.

**SECTION 12. - Height & Other Requirements -**

- a) The minimum height of service support in a building shall be 5.8 meters measured from the bottom of the bracket or pin insulators.
- b) Measured from the top, the height of a rain tight service head shall be 5.9 meters.
- c) The height of streetlights shall be maintained at 7.5 meters.
- d) All electric poles shall maintain 90 degrees verticality. Should an electric pole's verticality be lesser than 90 degrees due to the effect of a typhoon, earthquake, fire, or accident, the electric utility concerned shall be given a period of five (5) days from receipt of a written notice from the **Office of the City Engineer** within which to restore the said electric pole to its 90 degree verticality. The electric utility company's failure to comply with the said notice within the said period shall be deemed a violation of this Ordinance.
- e) The height of electric poles all over **the City of Bacoor**, Cavite shall be in accordance with all pertinent laws.
- f) The sag of electric conductors shall be maintained at 0.30 meters within the standards set under the laws.
- g) All electrical installation shall be done in accordance with approved safety standards and superior

workmanship. Should there be a conflict in the interpretation of the said safety standards, the Office of the City Engineer shall be empowered to determine the same after due consultation with representatives of any electric utility company operating within the City of Bacor, Cavite.

- h) No electric pole shall be erected by the electric utility without prior approval from the Office of the Building Official and the Office of the City Engineer.
- i) All distribution lines along all primary and secondary roads within the City of Bacor, Cavite shall be relocated in accordance with the Approved Pole Location Plan. Other roads located within the City of Bacor, Cavite may be included in the coverage of this Ordinance as the need arises.

**SECTION 13.** - All existing generator distribution lines shall be deemed illegal electrical installations and shall be removed from the distribution system subject to the Approved Pole Location Plan and upon consultation with the utility company concerned.

**SECTION 14.** - It shall be prohibited at all times to install portable generator sets along established sidewalks and thoroughfares without prior approval from the Office of City Mayor.

**SECTION 15.** - There shall be a uniform type of streetlights in all roads and thoroughfares within the City of Bacor, Cavite the appearance and design of which shall be determined and approved by the Office of the City Engineer. In designing the said streetlights, the Office of the City Engineer shall be guided by the design's aesthetic value, cost effectiveness, low electric power consumption rate, ease and affordability of maintenance, and its impact on the natural environment. Any streetlight that does not conform to the design approved by the Office of the City Engineer may be summarily torn down. Provided, that the said design must be approved by the City Mayor and must be submitted by the City Engineer within ninety (90) days after the effectivity date of this Ordinance.

**SECTION 16.** - No streamer, poster, buntings, billboards, or any other similar promotional materials whether commercial or political in nature shall be allowed to be attached, nailed, stapled, pasted, or tied to all distribution lines and electric poles within the City of Bacor, Cavite without the prior approval of the Office of the City Engineer. All streamers, posters, buntings, billboards or any other similar

promotional materials as mentioned above that has been attached, nailed, stapled, pasted or tied to distribution lines and electric poles in the City of Bacoor, Cavite without the prior approval of the City Engineer of Bacoor may be summarily removed and the cost of such removal shall be charged to the natural or juridical person who caused the illegal installation of the said promotional materials.

**Article III. - TELECOMMUNICATIONS COMPANIES**

**SECTION 17. -** The following shall be observed by all telecommunications companies operating within the City of Bacoor, Cavite:

- a) No building shall be tapped to any telephone utility without prior approval from the Office of the Building Official and the Office of the City Engineer of the City of Bacoor.
- b) All commercial establishments shall have a central telephone terminal cabinet the capacity of which should be enough to supply the required telephone lines of the building concerned. No central telephone cabinet or telecommunication cabinet, however, maybe placed on sidewalks or thoroughfares within the City of Bacoor, Cavite without paying a Mayor's Permit Fee amounting to Two Hundred Pesos (Php 200.00) per line and without securing the prior approval of the Office of the Building Official and the City Engineer of the City of Bacoor.
- c) No telephone or telecommunications company may be allowed to install or rehabilitate telephone lines without the prior approval of the Office of the City Engineer.
- d) All the idle wires of all cellphone companies shall be removed summarily provided that the Office of the City Engineer shall give sufficient notice to the telephone company/ies who own such idle wires so that the latter may cause their removal. Should the said telephone company/ies fail to remove the said idle wires within the period given them, the said idle wires shall be removed by the Office of the City Engineer and the cost of such removal shall be charged to the telephone company/ies concerned.
- e) All traversing telephone drop wires shall be allowed only in the traversing points as indicated in the Approved Pole Location Plan. Traversing telephone drop wires placed in areas not specified in the

Approved Pole Location Plan may be removed summarily provided that the Office of the City Engineer shall give sufficient notice to the telephone company/ies who own such traversing drop wires so that the latter may cause their removal. Should the said telephone company/ies fail to remove the said illegally placed traversing drop wires within the period given them, the said drop wires shall be removed by the Office of the City Engineer and the cost of such removal shall be charged to the telephone company/ies concerned.

- f) Traversing telephone lines shall be allowed underground as long as it will be done through the boring of a hole on the ground. Provided, however, that the same must be with the prior approval of the Office of the City Engineer.
- g) All communication poles outside of the Approved Pole Location Plan shall be removed provided that the telephone company/ies concerned should be given sufficient time within which to voluntarily remove or relocate the same. If the said poles are not removed or relocated upon the lapse of the period given to the telephone company/ies concerned, the Office of the City Engineer shall be empowered to remove or tear down the said communication poles and the cost of such removal shall be charged to the account of the telephone company/ies concerned.
- h) No additional telephone poles shall be allowed in all areas within the jurisdiction of the City of Bacoor, Cavite without the payment of a Mayor's Permit Fee in the amount of One Thousand Five Hundred Pesos (Php1,500.00). Provided, that the City Mayor shall be given the discretion to waive the payment of such Mayor's Permit Fee in meritorious cases.
- i) All telephone lines shall maintain clearances in accordance with prevailing industry safety standards. Should there be a conflict in the interpretation of the said safety standards, the Office of the City Engineer shall be empowered to determine the same after due consultation with representatives of at least two (2) telephone companies operating within the City of Bacoor, Cavite.
- j) All telephone lines shall maintain a sag of not more than 0.30 meters per span or within the standards set in all pertinent laws.
