Discussion:

- The ordinance is expected to significantly reduce nighttime disturbances and promote a safer, more orderly community environment, particularly benefiting minors and their families.
- The implementation of a barangay-level curfew is necessary to enhance public safety and protect vulnerable minors from potential dangers at night, including exposure to crimes, accidents, and other unlawful activities.
- It aims to strengthen community discipline, promote peace and order, and prevent juvenile delinquency by restricting minors from loitering or staying in public places during curfew hours without a valid reason.

After deliberations, the Committee on Barangay Affairs **unanimously agreed** to recommend the **Approval** of the barangay ordinance adopting city ordinance No. 7-S-2002, the revised policies of the local government on curfew for minors, and to strictly implement the said ordinance in Barangay Salinas 2

There being no other matters to discuss, the meeting was adjourned at 4:15 PM.
