PCR 229-2025 – A RESOLUTION AUTHORIZING THE CITY MAYOR, HON. STRIKE B. REVILLA, TO SIGN A DATA TURNOVER AGREEMENT BETWEEN THE CITY GOVERNMENT OF BACOR AND THE PHILIPPINE STATISTICS AUTHORITY (PSA) IN RELATION TO THE TURNOVER AND MANAGEMENT OF THE 2024 COMMUNITY-BASED MONITORING SYSTEM (CBMS) DATA.

According to Ms. Ronario, CBMS contains the list of registries of each profile bracket in the community. Moreover, this profiling contains the specified demographics, such as the number of students and senior citizens in a certain age range. These data are very helpful to the LGU and to each barangay for an easier collection of the needed profile brackets.

Mr. Gerald Amoroso, the Statistical Specialist from PSA Cavite, sought help from the LGU to provide an action plan to create a more accurate data gathering for CBMS. He said that the data gathered are not 100% accurate as there are people, especially from the higher class, does not waive to PSA to acquire their demographic data and be publicly released. Hon. Palabrica noted the concern and will try to take action in the next activity.

Atty. Salve Valenciano from the Office of the City Legal Services asked for clarification in item number 7 reference to the attached Data Turnover Agreement, if the Data Turnover Agreement is separate from the Data Sharing Agreement. PSA Cavite officer-in-charge, Ms. Ronario, clearly said that the Data Turnover Agreement is between the PSA and the LGU. On the other hand, the Data Sharing Agreement is between the LGU and other National or Local Government Agencies.

Chairman Gawaran recognized their comments and clarifications and noted to the guest that their concerns will be studied by the Committee Members.

Hon. Rey Palabrica recommended that the proposed city resolution be approved, and was duly seconded by the rest of the Committee Members. The Committee Hearing was adjourned at exactly 10:25 am.

COMMITTEE REPORT

Office of the Sangguniang Panlungsod
Received by: Janet Priya
Date: 5 Nov 2025
File: 8.11.2025

Subject: A RESOLUTION AUTHORIZING THE CITY MAYOR, HON. STRIKE B. REVILLA, TO SIGN A DATA TURNOVER AGREEMENT BETWEEN THE CITY GOVERNMENT OF BACOR AND THE PHILIPPINE STATISTICS AUTHORITY (PSA) IN RELATION TO THE TURNOVER AND MANAGEMENT OF THE 2024 COMMUNITY-BASED MONITORING SYSTEM (CBMS) DATA. (PCR 229-2025 referred October 27, 2025).

The aforementioned proposed City Resolution was endorsed to the Sangguniang Panlungsod from the Office of the City Mayor on October 22, 2025. The said endorsement letter is attached and made integral part of this report together with the draft of the Data Turnover Agreement, minutes of the meeting, attendance sheets, and pictures of the hearing held on November 14, 2025.

FINDINGS :

The Community-Based Monitoring System (CBMS) was instituted in every city and municipality as an economic and social tool for the formulation and implementation of poverty alleviation and development programs that are specific, targeted, and responsive to the basic needs of each sector of the community pursuant to RA No. 11315 or the Community-Based Monitoring System Act. The aforesaid Republic Act provides the cities and municipalities in maintaining their CBMS database for local-level planning and program implementation.

The PSA, as the lead agency in the implementation of CBMS, shall undertake measures to ensure the integrity and safety of the gathered information against unnecessary leakage and access by unauthorized persons and shall turn over the data to the City Government of Bacoar through the designated Data Protection Officers (DPO).

In reference with the request to the Members of Sangguniang Panlungsod by the Office of City Mayor, the authorization to the latter to enter into a Data Turnover Agreement ensures proper data sharing and protection protocols, confidentiality, and data utilization in support of evidence-based local-level planning, policy formulation, and governance.

RECOMMENDATION :

After careful analysis and deliberation, The Committee Chairperson for Information, Communication and Technology Honorable Adrielito G.
