The Presiding Officer proceeded with the introduction of the City Councilors and the resource persons present.

The Presiding Officer asked Mr. Angelito Angeles, Board of Directors of A.I.M.S. Operations Management Services to enlighten the Honorable Committee regarding the above-subject matter.

The Presiding Officer manifested that the City Council is not opposing the Supplemental Agreement as they did to the previously agreed Memorandum of

Agreement. He only clarified the digital platform to be used by A.I.M.S. in this program.

The Committee on Health and Sanitation Vice-Chairman Hon. Manolo S. Galvez asked the A.I.M.S. representative if this program will only cater PHILHEALTH members.

Ms. Marianne Verde, Office of the City Health Services representative asked the difference between the Wireless Access for Health (WAH), the previous system used by the City Health Units and the new system being introduced by A.I.M.S.

Mr. Angeles explained that their main objective is to help the City Health Units in monitoring the YAKAP PHILHEALTH members. He also mentioned that all the monitoring system by WAH is included in their system. He added that the only difference between the two is its user friendliness and the speed of the new system and easier in generating reports.

Further deliberation on the provisions of the Supplemental Agreement to the Memorandum of Agreement happened. The resource persons manifested their suggestions, opinions and proposal to be included in the supplemental agreement.

The Presiding Officer asked the assistance of Atty. Rey Marco Mendoza, Office of the City Legal Service representative in revising the Supplemental
