**SUBJECT:** REQUEST TO PASS A RESOLUTION AUTHORIZING THE CITY MAYOR, HON. STRIKE B. REVILLA, TO SIGN A PETITION FOR THE ISSUANCE OF CERTIFICATION OF EXEMPTION AND AUTHORIZATION FOR THE RELEASE OF PUBLIC FUNDS FOR THE VARIOUS PROGRAMS, PROJECTS, AND ACTIVITIES OF THE CITY GOVERNMENT OF BACOOR DURING THE ELECTION PERIOD FOR THE 2025 NATIONAL AND LOCAL GOVERNMENT ELECTIONS.

Dear Hon. Bautista-Mendiola:

*Mabuhay in the name of public service!*

Pursuant to Section 16 Republic Act No. 7160 otherwise known as the Local Government Code, (e)very local government unit shall exercise the powers expressly granted, those necessarily implied therefrom, as well as powers necessary, appropriate, or incidental for its efficient and effective governance, and those which are essential to the promotion of the general welfare.

The Commission on Elections (COMELEC) issued Resolution No. 10999 pertaining to the National and Local Elections (NLE) and BARMM Parliamentary Elections to be held on 12 May 2025 and calendar of activities and periods of certain prohibited acts approved and promulgated on 24 May 2024.

The City Government of Bacoor is petitioning the COMELEC to acknowledge its mandate of delivering basic services under the Republic Act 7160 (otherwise known as the "Local Government Code of 1991") during the Election Ban Period from 28 March 2025 to 11 May 2025 as the mentioned electoral prohibition might delay the disbursement of funds for the completion of various programs, projects and activities of the city government.

In view thereof, I respectfully request the esteemed members of the Sangguniang Panlungsod to perform the appropriate actions that will grant me the authority to sign the above-mentioned petition.

Thank you.

Respectfully yours,

## THE PETITIONER

1. The Petitioner is a local government unit in the Province of Cavite, created by Republic Act No. 10160 or the Charter of the City of Bacoor, with an official address at New Bacoor City Hall, Bacoor Boulevard, Barangay Bayanan, Bacoor City, Province of Cavite;

2. The Petitioner is represented by its Local Chief Executive – Mayor Strike B. Revilla, who is duly authorized to submit this Petition by the Sangguniang Panlungsod under Sangguniang Panlungsod Resolution No. \_\_\_\_\_ dated \_\_\_\_\_<sup>1</sup>;

3. The Petitioner may be served with copies of the Honorable Commission’s notices, orders, resolutions, and other processes through its counsel – the Office of the City Legal Service with official office address at Third Floor, New Bacoor City Hall, Bacoor Government Center, Barangay Bayanan, Bacoor City, Province of Cavite.

3.1. The official electronic mail address of the Office of the City Legal Service is [clo@bacoor.gov.ph](mailto:clo@bacoor.gov.ph).

## STATEMENT OF THE PETITION

4. It is a declared policy of the State to serve and protect the people, maintain peace and order, protect life, liberty, and property, and promote the general welfare of the people. No less than the 1987 Constitution enshrined these declarations under Sections 4 and 5 of Article II:

*“Section 4. The prime duty of the Government is to serve and protect the people. The Government may call upon the people to defend the State and, in the fulfillment thereof, all citizens may be required, under conditions provided by law, to render personal, military, or civil service.*

<sup>1</sup> Attached herewith is a copy of the Sangguniang Panlungsod Resolution No. \_\_\_\_\_ under Annex “A”

*Section J. The maintenance of peace and order, the protection of life, liberty, and property, and promotion of the general welfare are essential for the enjoyment by all the people of the blessings of democracy."*

5. On 24 May 2024, the Honorable Commission on Elections issued COMELEC Resolution No. 10999, which provided that between 28 March 2025 and 11 May 2025, the following are prohibited:

5.1. The appointment or hiring of new employees, creation of new positions, filing of new positions in a government office, agency, or instrumentality, whether national or local, including government-owned or controlled corporations, except upon prior authority of the Commission (*Sec. 261 (g) (1), Omnibus Elections Code*);

5.2. The promotion or giving of salary increases, remuneration of privileges to any government official or employee, including those in government-owned or controlled corporations (*Section 261 (g) (2), Omnibus Elections Code*);

5.3. Release, disbursement, or s of public funds, except those enumerated in (*Section 261 (v), Omnibus Elections Code*);

5.4. Construction of public works, delivery of materials for public works except for projects or works exempted in Section 261 (v) of the OEC, and issuance of treasury warrants or similar devices. (*Section 261 (w), Omnibus Election Code*);

6. In *Mandanas v. Executive Secretary* (G.R. No. 199802, 3 July 2018) *per* J. Bersamin, EN BANC, the Supreme Court has emphasized that fiscal autonomy includes the power to allocate resources with their own priorities. To wit:

*"One of the key features of the 1987 Constitution is its push towards decentralization of government and local autonomy. Local autonomy has two facets: the administrative and the fiscal. Fiscal autonomy means that local governments have the power to create their own sources of revenue in addition to their equitable share in the national taxes released by the National Government, as well as the power to allocate their resources in accordance with their own priorities. Such autonomy is as indispensable to the viability of the policy of decentralization as the other." (Emphasis and underscoring supplied)*

7. Under Section 16 of the Local Government Code, a local government is empowered to ensure the promotion of the general welfare of its constituents. Thus:

*"Section 16. General Welfare. – Every local government unit shall exercise the powers expressly granted, those necessarily implied therefrom, as well as powers necessary, appropriate, or incidental for its efficient and effective governance, and those which are essential to the promotion of the general welfare. Within their respective territorial jurisdictions, local government units shall ensure and support, among other things, the preservation and enrichment of culture, promote health and safety, enhance the right of the people to a balanced ecology, encourage and support the development of appropriate and self-reliant scientific and technological capabilities, improve public morals, enhance economic prosperity and social justice, promote full employment among their residents, maintain peace and order, and preserve the comfort and convenience of their inhabitants."*  
(Emphasis and underscoring supplied)

8. Under Section 8 of Republic Act No. 10160 or the Bacoar City Charter has empowered the City Government through its City Mayor as local chief executive to exercise those powers expressly granted to him by law and those necessarily implied therefrom, as well as powers necessary, appropriate, or incidental for the efficient and effective governance of the City and those essential to the promotion of general welfare;

9. The concept of the promotion of general welfare has developed over the years. The Supreme Court, in the case of *Roble Arrastre Inc v. Villaflor* (G.R. No. 128509, 22 August 2006) per J. Chico-Nazario, First Division, has discussed the same as follows:

*"The general welfare clause is the delegation in statutory form of the police power of the State to LGUs. Through this, LGUs may prescribe regulations to protect the lives, health, and property of their constituents and maintain peace and order within their respective territorial jurisdictions. Accordingly, we have upheld enactments providing, for instance, the regulation of gambling, the occupation of rig drivers, the installation and operation of pinball machines, the maintenance and operation of cockpits, the exhumation and transfer of corpses from public burial grounds, and the operation of hotels, motels, and lodging*

*houses as valid exercises by local legislatures of the police power under the general welfare clause."*

10. The following requested projects and disbursements of public funds below that may cover the period as prohibited by the Honorable Commission are essential to the promotion of the general welfare of the people of Bacoor City. Should the implementation and execution of these projects be hampered or delayed, there is an equivalent danger and harm that may afflict those intended beneficiaries;

11. Hence, this Petition for the Issuance of the Certificate of Exemption;

*The Petition for Exemption  
is allowed under the Omnibus  
Election Code for Social Welfare  
Related Projects.*

12. Under Section 261(v)(2) of the Omnibus Elections Code, any other office with similar performing functions with the Ministry of Social Services (now Department of Social Welfare and Development) may, after due notice and hearing, be exempted. To wit:

*"The Ministry of Social Services and Development and any other office in other ministries of the government performing functions similar to said ministry, except for salaries of personnel, and for such other routine and normal expenses, and for such other expenses as the Commission may authorize after due notice and hearing. Should a calamity or disaster occur, all releases normally or usually coursed through the said ministries and offices of other ministries shall be turned over to, and administered and disbursed by, the Philippine National Red Cross, subject to the supervision of the Commission on Audit or its representatives, and no candidate or his or her spouse or member of his family within the second civil degree of affinity or consanguinity shall participate, directly or indirectly, in the distribution of any relief or other goods to the victims of the calamity or disaster; and"*

13. Furthermore, Section 261 (v)(3) likewise exempts projects related to the functions of the Ministry of Human Settlements (now Department of Human Settlements and Urban Development) or any other office with similar performing functions. To wit:

"The Ministry of Human Settlements and any other office in any other ministry of the government performing functions similar to said ministry, except for salaries of personnel and for such other necessary administrative or other expenses as the Commission may authorize after due notice and hearing."  
(Emphasis and underscoring supplied)

14. It is most humbly submitted that the functions of the Department of Social Welfare and Development and that of the Department of Human Settlements and Urban Development are similar to that of the statutory power of Local Government Units under the Local Government Code and that which is provided for by Republic Act No. 10160 to promote the general welfare of the people and its expanded and evolved concept as duly decided by no less than the Supreme Court;

#### ***Exemption of Public Works***

15. Meanwhile, the release, disbursement, or expenditure of public funds may be exempted by the Honorable Commission as provided for by the Omnibus Election Code under Section 261 (v) (1) based on the following:

*"a. Maintenance of existing and/or completed public works project: Provided That not more than the average number of laborers or employees already employed therein during the six-month period immediately prior to the beginning of the forty-five day period before election day shall be permitted to work during such time: Provided, further, That no additional laborers shall be employed for maintenance work within the said period of forty-five days;*

*b. Work undertaken by contract through public bidding held, or by negotiated contract awarded, before the forty-five day period before the election: Provided That work for the purpose of this section undertaken under the so-called "takay" or "paquiao" system shall not be considered as work by contract;*

*c. Payment for the usual cost of preparation for working drawings, specifications, bills of materials, estimates, and other procedures preparatory to actual construction, including the purchase of materials and equipment, and all incidental expenses for wages of watchmen and other laborers employed for*

*such work in the central office and field storehouses before the beginning of such period: Provided, That the number of such laborers shall not be increased over the number hired when the project or projects were commenced; and*

*d. Emergency work necessitated by the occurrence of a public calamity, but such work shall be limited to the restoration of the damaged facility.*

*No payment shall be made within five days before the date of election to laborers who have rendered services in projects or works except those falling under subparagraphs (a), (b), (c), and (d) of this paragraph.*

*This prohibition shall not apply to ongoing public works projects commenced before the campaign period or similar projects under foreign agreements. For purposes of this provision, it shall be the duty of the government officials or agencies concerned to report to the Commission the list of all such projects being undertaken by them."*

#### **SOCIAL WELFARE-RELATED PROGRAMS, PROJECTS, AND ACTIVITIES OF THE CITY GOVERNMENT OF BACOR**

16. The social welfare-related programs, projects, and activities of the City Government of Bacor that have been determined by the same for the promotion of the general welfare of its constituents and are submitted to the Honorable Commission for the issuance of the necessary exemption amounts to **ONE BILLION ONE HUNDRED SEVENTY-EIGHT MILLION NINE HUNDRED FIFTY-FIVE THOUSAND SIX HUNDRED SEVENTY PESOS (PHP 1,178,955,670.00)**. The complete list is attached to this Petition as **Annex "A"**. Some of the plans, programs, and activities amounting to PHP 1,178,955,670.00 will be conducted as early as January 2025. However, the City Government of Bacor seeks an exemption since the implementation period may be extended and fall within the election ban period. Further, the disbursement may also be within the election ban period. As for other projects, the actual preparation and implementation will fall within the election ban period, hence the request for the exemption.

#### **PUBLIC WORKS AND CONSTRUCTION-RELATED PROGRAMS, PROJECTS, AND ACTIVITIES OF THE CITY GOVERNMENT OF BACOR**

17. The public works and construction projects of the City Government of Bacoor and are submitted to the Honorable Commission for the issuance of the necessary exemption amounts to **SEVEN HUNDRED SIXTY-FOUR MILLION NINE HUNDRED EIGHTY-THREE THOUSAND THREE HUNDRED SIXTY PESOS AND FORTY-TWO CENTAVOS (Php 764, 983,360.42)**. The complete list is attached to this Petition as **Annex "B"**. Some of the construction projects amounting to Php 764, 983,360.42 will be initiated as early as January 2025. However, the City Government of Bacoor seeks an exemption since the construction period may be extended and fall within the election ban period. Further, the disbursement may also be within the election ban period. As for other construction projects, the actual preparation and implementation will fall within the election ban period, hence the request for the exemption.

### CONCLUSION

18. The abovementioned list covers both infrastructure and non-infrastructure projects of the City Government of Bacoor. These are integral parts of the City Government's promotion of the general welfare of the people, which includes not only basic services but also those projects that directly benefit the lives of the Bacooreno populace;

19. The project spans the services provided for by social work, environmental and natural resources protection, public safety and traffic management, public health housing and urban development, food security and agriculture, population and gender development, senior citizens affairs, civil registry, youth and sports development, livelihood, land development, economic and business development, promotion of culture, and the over-all continued work and service by the City Government of Bacoor including but not limited to general services, e-governance, and planning services;

20. Indubitably to abruptly halt the implementation of the above-mentioned projects for the period of two months will unnecessarily result in the suspension of these much-needed services;

21. To the recipient and intended beneficiaries such as informal settler families, the sick and the differently-abled, and those displaced by calamities, the students, the elderly – the two-month prohibition on public spending means the world because it will likewise delay the financial assistance to their families which could directly translate to loss;

22. Moreover, for the establishment, construction, and repair in various locations of the city, the deferment of these projects for the period of two months would necessarily mean a delay. Such delay would worsen the traffic conditions in the City and the flooding it is experiencing during heavy rainfall;
