COMMITTEE HEARING REPORT  
NO. BA PNOA-833-2025

**Subject: REQUEST FOR APPROVAL OF BARANGAY RESOLUTIONS FROM BARANGAY POBLACION: RESOLUTION NO. 22, SERIES OF 2024 – RESOLUTION APPROVING THE EARLY WARNING SYSTEM OF BARANGAY POBLACION, CITY OF BACOOR, CAVITE. (PNOA-833-2025 dated January 13, 2025)**

Barangay Poblacion has submitted *Resolution No. 22, Series of 2024*, which seeks the approval and formal implementation of an Early Warning System (EWS) within the barangay. This initiative aims to strengthen disaster preparedness and mitigate risks during emergencies, particularly natural disasters such as floods, typhoons, and earthquakes.

**FINDINGS:**

The key points in implementing this ordinance were:

**1. Improved Community Safety and Preparedness:**

- The Early Warning System will enable Barangay Poblacion to quickly alarm its residents over an impending disaster or emergency. By doing this, it already reduces the dangers to life and property because timely and appropriate action will be undertaken by the residents.

**2. Alignment with National and Local Disaster Management Policies:**

- The proposed early warning system therefore aligns perfectly with the imperatives of Republic Act 10121, known as the Philippine Disaster Risk Reduction and Management Act of 2010, and its emphasis that preparedness, risk reduction should be at the community levels.

**3. Enhanced Disaster Response Coordination**

- The system will facilitate better coordination among barangay officials, local government units, and relevant agencies during emergencies. This ensures a more organized and effective response to disasters

**4. Community Involvement and Awareness:**

- The implementation of the Early Warning System involves community education and participation, fostering a culture of preparedness and resilience among residents.

**5. Minimized Risk and Damage:**

- By providing advance warnings, the system will help minimize casualties and property damage during disasters. It also supports the barangay's efforts to build a safer and more disaster-resilient community.

**RECOMMENDATION:**

The committee believes that passing this resolution is essential for the following reason:

- This resolution demonstrates the proactive approach of Barangay Poblacion in prioritizing the safety and well-being of its residents, aligning with the broader goals of disaster risk reduction and management.

After thorough discussion and consideration, the members of Barangay Affairs Committee unanimously recommend the **ISSUANCE OF NOTICE OF APPROVAL** Of Approving the early warning system of Barangay Poblacion.

**WE HEREBY CERTIFY** that the contents of the foregoing report are true and correct.
