COMMITTEE REPORT

CRPLO-003-2026

PCR-300-2025

Office of the Sangguniang Panlungsod
Received by: *[Signature]*
Date: *02/04/2026*
Time: *9:00 am*

Subject: A resolution adopting and endorsing the Bacoor City Smart Project and Smart City Master Plan, in partnership with the RMS Consulting, RMS Platform, DOHWA Cooperation Program, and recommending its endorsement to the Provincial Development Council of Cavite for subsequent endorsement to the Regional Development Council IV-A.

(Date referred: December 01, 2025)

The above-mentioned proposed resolution underwent its first reading on December 01, 2025 during the 22nd Regular Session of the 6th Sangguniang Panlungsod. The said proposed resolution was referred by the Presiding Officer, City Vice Mayor Hon. Rowena Bautista Mendiola to the City Council En Banc.

The City Council En Banc presided by City Councilor and President Pro-Tempore Hon. Reynaldo C. Palabarica sent out invitations to the resource persons and conducted a committee hearing on February 26, 2026 at the Session Hall of the Sangguniang Panlungsod.

After due consultation and deliberation hereby report back to this August Body the findings, information gathered, and recommendation on the above-subject matter. Attached hereto are the attendance sheet and photos taken during the said hearing.

FINDINGS:

A letter from the Office of the Bacoor City Administrator dated November 25, 2025 was received by the Sangguniang Panlungsod endorsing for

consideration and appropriate legislative and council action, the draft Resolution of the City Planning and Development Coordinating Office (CPCD Resolution No. 12 Series of 2025) expressing support for the Bacoor City Smart City Project in collaboration with RMS Consulting, RMS Platform, DOHWA Engineering, and Yonsei University under the K-City Network Global Cooperation Program, as well as the corresponding draft Resolution of the Sangguniang Panlungsod adopting and endorsing the same project for further development and implementation.

The said proposed resolutions are intended to formally establish the Smart City Project as a priority development initiative of the City of Bacoor, and to provide the necessary institutional and policy backing to facilitate its continued planning, operationalization, and coordination with national and international partners. These measures likewise serve to pave the way for subsequent endorsement to the Provincial Development Council of Cavite and, thereafter, to the Regional Development Council IV-A, in accordance with established planning processes and inter-governmental coordination framework.

The City Government of Bacoor has embarked on the formulation and advancement of its Bacoor City Smart City Master Plan in line with its vision of promoting sustainable, inclusive, resilient, and technology-driven urban development, and in furtherance of its strategic goal to improve governance efficiency, disaster preparedness, infrastructure planning, and public service delivery through smart city initiatives.

The City Planning and Development Coordinating Office (CPDC), as the primary planning arm of the City Government of Bacoor, recognizes the strategic importance of the Smart City Project in addressing critical urban challenges such as traffic congestion, disaster risk management, environmental sustainability, and service delivery optimization, while enhancing the city's competitiveness and investment attractiveness.

The successful implementation of the Bacoor City Smart City Project requires sustained institutional coordination, policy alignment, and endorsement at both local and regional levels, including support from the Regional Development Council IV-A and other relevant agencies.
