Subject: **(FROM BARANGAY NIOG) BARANGAY ORDINANCE NO. 3, SERIES OF 2026 ENTITLED: "AN ORDINANCE REQUIRING ALL COMPANIES, CONTRACTORS, OR OTHER ENTITIES CONDUCTING DIGGING, TRENCHING, EXCAVATION, OR SIMILAR EARTHWORK ACTIVITIES WITHIN THE TERRITORIAL JURISDICTION OF BARANGAY NIOG, CITY OF BACOOR, CAVITE, TO POST A REFUNDABLE CASH BOND IN THE AMOUNT OF FIFTY THOUSAND PESOS (PHP50,000.00) TO ENSURE THE RESTORATION OF ROADS, DRAINAGE FACILITIES, SIDEWALKS, AND OTHER AFFECTED PUBLIC PROPERTIES".**

(PCR-584-2026 dated September 21, 2026)

The joint committee hearing was held on September 24, 2026, at 1:00 PM at the 6th floor Sp Session hall, Bacoor Legislative & Disaster Resilience Building, Bacoor Government Center, Bacoor Boulevard, Brgy. Bayanan, City of Bacoor, Cavite. It was presided over by Chairman Hon. Randy C. Francisco, Committee on Barangay Affairs.

FINDINGS:

1. Section 16 of the Local Government Code of 1991 (Republic Act NO. 7160) grants every local government unit the authority to promote the general welfare of its constituents and to adopt measures necessary to preserve peace, order, safety, convenience, and protection of public infrastructure.
2. Barangay Niog recognizes that excavation, trenching, pipe-laying, cable installation, drainage works, utility installation, and similar construction activities may result in damage to barangay roads, sidewalks, canals, drainage systems, and other public facilities if not properly restored after completion of the project.

COMMITTEE REPORT PCR-545-2026

PCR-584-2026 - "(FROM BARANGAY NIOG) BARANGAY ORDINANCE NO. 3, SERIES OF 2026 – An Ordinance Requiring a P50,000 Refundable Cash Bond for Excavation and Similar Activities to Ensure the Restoration of Affected Public Properties)".

3. There is no need to ensure that all affected public properties are restored to their original condition or to an acceptable engineering standard immediately after the completion of excavation works.

This will promote accountability among contractors and other entities and help prevent public infrastructure from being left damaged or improperly restored after the completion of their activities.

RECOMMENDATION:

The Committee on Barangay Affairs recommended the submission of the amended ordinance for further review and appropriate action.

Applies to all government agencies, government-owned or controlled corporations, private companies, contractors, subcontractors, utility providers, developers, and other entities intending to conduct excavation, trenching, boring, road cutting, pipe installation, cable installation, drainage construction, or similar activities within the jurisdiction of Barangay Nlog. SECTION	ORIGINAL ORDINANCE	REVISED ORDINANCE	DIFFERENCE / REMARKS
Section 8 - Penalties	Any person, company, contractor, or entity violating the Ordinance by commencing excavation without posting the required cash bond or refusing to comply with restoration requirements shall be denied further barangay clearance for the project until compliance is achieved and may be subject to other sanctions allowed under existing laws and applicable city ordinances.	Any person, company, contractor, or entity found in violation of the Ordinance—whether by commencing excavation without posting the required cash bond or refusing to comply with restoration requirements—shall be denied further barangay clearance for the project until compliance is achieved and may be subject to other penalties authorized under existing laws and applicable city ordinances. The revised provision also states that the penalties provide exemptions for residential properties and emergency leak repairs. WE HEREBY CERTIFY that the contents of the foregoing report are true and correct.

Signed this 29th day of September 2026 at the City of Bacoor, Cavite.
