appropriate or incidental for the efficient and effective governance of the City, and those which are essential to the promotion of the general welfare.

WHEREAS, on 30 October 2022, severe tropical storm Paeng wreaked havoc on the City of Bacoor and inundated 69 of its 73 barangays. The extent of the damage caused by the typhoon and the sheer number of people in need of assistance overwhelmed the emergency responders of the City Government most of whose homes were also submerged in flood waters but chose to help strangers instead of their own loved ones.

WHEREAS, during the Post Disaster Needs Assessment meeting conducted by the City Mayor and by the members of the Sangguniang Panlungsod on 2 November 2022 it was discussed that one of the reasons the disaster risk reduction management teams of the City Government were overwhelmed was because most city residents lacked training on how to respond during emergencies.

WHEREAS, climate change is expected to magnify the impact of future weather related disturbances so it is the duty of every Filipino citizen to help the government, themselves, and their communities in responding to such emergencies. However, the citizenry cannot be expected to help the government if the former are not properly trained on what to do during emergencies.

WHEREAS, the devastation caused by typhoon Paeng should serve as a clarion call to every Bacooreño to rise up and help in lessening the damage that future disasters might inflict on themselves and their fellow residents.

NOW THEREFORE, be it **ORDAINED** by the 5th Sangguniang Panlungsod of the City of Bacoor, Cavite that:

Section 1. Title. This Ordinance shall be known as the "**Bacoor Emergency Response Training Ordinance**".
