**WHEREAS**, Section 16 of the Local Government Code of 1991 (Republic Act No. 7160) in relation to Sections 447 and 458 (i) of the same law empowered local government units (LGUs) to enact ordinances that regulate noise within their respective jurisdictions.

**WHEREAS**, the Civil Code of the Philippines (Republic Act No. 386) includes provisions that classify excessive noise as a nuisance. Under Articles 694 to 707, a nuisance is defined as anything that "injures or endangers the health or safety of others" or "annoys or offends the senses."

**WHEREAS**, in an article entitled "HEALTH EFFECTS OF ENVIRONMENTAL NOISE POLLUTION" published by the Australian Academy of Science on 21 November 2017 it was reported that "at least one million healthy years of life are lost each year in Europe alone due to noise pollution" and that "there is overwhelming evidence that exposure to environmental noise has adverse effects on the health of the population."

**WHEREAS**, a study conducted by the University of the Philippines Manila and the National Institutes of Health published in the website of the UP Manila ([www.upm.edu.ph](http://www.upm.edu.ph)) on 7 June 2024 revealed that 13% of the research participants experienced significant noise exposure at work, and approximately 16% of the participants had moderate hearing loss or worse in at least one ear. Assistant Professor at the Philippine National Ear Institute (PNEI), reported further that that EDSA traffic enforcers who were exposed to an 8-hour equivalent sound pressure level of more than 85 decibels were at least 25% more likely to experience hearing abnormalities.

**WHEREAS**, City Ordinance No. 2014-07 made it unlawful for any person to make, continue, or cause to be made, or continue, any excessive, unnecessary or unusually loud sound generated by videoke/karaoke systems or other sound producing devices within residential areas and along public streets or road sides which either annoys, disturbs, injures or endangers the comfort, health, peace or safety of others within the City of Bacoor.

**WHEREAS**, City Ordinance No. 2014-08 as amended by City Ordinance No. 5-2014 prohibited excessively loud noise emitted by motor vehicles in all public places within the City of Bacoor.

**WHEREAS**, despite the approval of City Ordinances No. 2014-07 and 2014-08, noise pollution remains a daily irritant to residents of the City of Bacoor and endangers their health and well-being and disrupts the harmonious relationship among neighbors.

**WHEREAS**, on 27 January 2025, the City Mayor, Hon. Strike B. Revilla, received a letter from Mr. Joseph Ryan V. Geronimo, CLGOO of the City of Bacoor, informing the City Government about the Memorandum dated 24 January 2025 issued by Provincial Director, Engr. Danilo A. Nobleza of the DILG encouraging LGUs to enact ordinances that will regulate and address noise pollution within their jurisdiction.

**NOW THEREFORE**, be it ordained by the 5th Sangguniang Panlungsod of the City of Bacoor, Cavite that:

**Section 1. Title.** This Ordinance shall be known and referred to as the **"2025 Anti-Noise Pollution Ordinance of the City of Bacoor"**.

**Section 2. General Prohibition.** It is unlawful for any person within or near a residential zone, school, college, university, hospital or place of worship situated in the City of Bacoor, Cavite to produce — or for any person in possession of property to allow to originate from the said property — sound that is a public disturbance noise.

**Section 3. Definition of Terms.** As used in this Ordinance:

A. **"Public disturbance noise"** means any noise, sound or signal generated by any person, animal, equipment, or device which unreasonably disturbs the comfort, peace, or repose of another person or persons within any residential zone — or within 50 meters from any school,

of the City of Bacoor) 05 May 2025.

college, university, hospital, or place of worship —  
situated within the City of Bacoor.

A public disturbance noise is: "frequent" if it occurs two or more days within a ten-day period from the time an offended party noticed it, "repetitive" if it occurs two or more times within a one-hour period from the time an offended party noticed it and "continuous" if it can be heard for ten (10) minutes or more from the time an offended party noticed it. Sound produced by an animal, equipment, household appliance, or other man-made device, gadget, or tool is a public disturbance noise if a person can hear it beyond thirty feet from the source or if it exceeds 90 decibels.

The following sounds are public disturbance noises for the purposes of this Ordinance: **Provided**, that the following enumeration of acts and noises shall not exclude other acts and noises which offend the public peace:

1. The frequent, repetitive or continuous sounding of any horn or siren attached to a motor vehicle at any time, except as a warning of danger or as specifically permitted or required by law or city ordinance such as during public emergencies, during disaster preparedness or disaster prevention operations, during election campaigns, or during the observance of religious rites, festivals or events. The sound produced by a horn or siren is excessively loud if it can be heard beyond ten feet from its source or if it exceeds 90 decibels.
2. The creation of frequent, repetitive or continuous sounds in connection with the starting, operating, repair, rebuilding or testing of any motor vehicle, motorcycle, off-highway vehicle, or internal combustion engine, including hobby vehicles, drones, and aircraft, within a residential zone so as to unreasonably disturb or interfere with the peace, comfort and repose of an owner or possessor of a neighboring real property. **Provided**, that this definition shall not apply to the operation of lawn mowers, garden tools, agricultural machinery, chainsaws or other power equipment used for building, repair or ground maintenance between the hours of eight a.m. (8:00 a.m.) and five p.m. (5:00 p.m.) every day including holidays. **Provided further** that, the barangay having jurisdiction over the place where such building, repair, or ground maintenance work is being done should first issue a Barangay

Clearance for Noise Producing Work before the said exception can apply.

- Yelling, shouting, whistling or singing on or near public streets at all hours every day — including holidays except on New Year's Eve, New Year's Day, Christmas Eve, and Christmas Day or during the celebration of any other event as may be authorized in writing by the City Mayor — or at any time and place so as to unreasonably disturb or interfere with the peace, comfort and repose of owners or possessors of real property. Sound produced by a human being is a public disturbance noise if another can hear it beyond thirty feet from the source or if it exceeds 90 decibels.
- The creation of frequent, repetitive or continuous sounds or electronically broadcast signals that is audible beyond seventy-five (75) feet from the source of such sounds or signals emanating from any building, structure, apartment or condominium or grounds of such structures which unreasonably interferes with the peace, comfort and repose of owners or possessors of neighboring or nearby real property such as sounds from musical instruments, audio sound systems, citizens band radio, ham radio and similar apparatus, band sessions or social gatherings.
- Sound from motor vehicle audio sound systems, such as tape players, radio and compact disc players, operated at a volume so as to be audible beyond seventy-five (75) feet from the motor vehicle itself.
- Sound from portable audio equipment such as tape players, radios and compact disc players, and/or videoke/karaoke machines operated at a volume so as to be audible beyond seventy-five (75) feet from the source.
- Sound resulting from the squealing or screeching or such other sounds from motor vehicle tires in contact with the ground or other roadway surface because of rapid acceleration, braking or excessive speed around corners or because of such other reasons. Provided that sounds which result from actions which are necessary to avoid danger or are emergent in nature shall be exempt from this section.
- Sound in excess of 99 decibels emanating from a motorcycle with an after-market muffler, or that has a muffler different from its original factory standard muffler, or that has a modified or damaged muffler

R. "Institution" refers to facility or building in which people are given educational, health, religious, or social services situated within the City of Bacoor such as schools, colleges, universities, hospitals, medical centers, churches, temples, chapels, cemeteries.

**Section 3. Exemptions.** The foregoing provisions shall neither apply to regularly scheduled events at parks, schools, colleges, universities, churches, mosques, other places of worship, or other public property between the hours of eight a.m. and eight p.m. nor shall it apply to sounds originating from residential property relating to temporary projects for the maintenance or repair of homes, grounds, appurtenances, including but not limited to sounds of lawn mowers, hand power tools, chain saws, vacuum cleaners, or leaf blowers between the hours of eight a.m. and five p.m. Educational or religious institutions that will produce public disturbance noises that will occur beyond the period mentioned in the immediately preceding sentence must apply for exemption in writing to the City Mayor at least two (2) calendar days before the event that will result in the creation of the said noise. The mere submission of the said application for exemption shall not result in the automatic grant thereof by the City Mayor.

Sounds originating from construction sites, including but not limited to sounds from construction equipment, power tools and hammering between eight a.m. and five p.m. on weekdays and on weekends shall also be exempt. The foregoing sections shall not apply to any public construction projects, emergency construction or repair by public utility agencies, emergency vehicle operation or actions by emergency service providers or any other emergency repair and construction to prevent further damage to persons or property during floods or windstorms or other property or life-threatening emergencies.

**Section 4. Scope.** This Ordinance shall cover:

4.1. All persons regardless of age or gender who makes public disturbance noises within residential areas or within 50 meters from any school, college, university, hospital or place of worship in the City of Bacoor; and

4.2. Any business, institution, or commercial establishment that generate public disturbance noises within residential areas or within 50 meters from any school, college, university, hospital or place of worship in the City of Bacoor.

effective governance, and those which are essential to the promotion of the general welfare:

**WHEREAS**, some residents of the City of Bacoor are accustomed to using public streets or road sides for private activities or functions, often making use of videoke/karaoke systems, amplified audio devices sheltered in collapsible tents as a form of amusement or recreation;

**WHEREAS**, the making and creation of excessive, unnecessary or unusually loud sounds from videoke/karaoke systems, or other sound producing devices at unacceptable levels during unholy hours cause serious discomfort and has created numerous complaints and public condemnation;

**WHEREAS**, the making, creation, or maintenance of such unnecessary, unnatural or unusually loud sounds is detrimental to public health, comfort, convenience, safety, and welfare.

**WHEREAS**, it is the policy of the City Government of Bacoor to protect the welfare of its constituents from excessively loud sounds and inadequately controlled noise which are serious hazards to the public health and safety and is a source of annoyance to the local populace.

**NOW, THEREFORE, BE IT ORDAINED, AS IT IS HEREBY ORDAINED BY THE SANGGUNANG PANLUNGSOD OF BACOR, THAT ;**

**Section 1.** It shall be unlawful for any person to make, continue, or cause to be made, or continue, any excessive, unnecessary or unusually loud sound generated by videoke/karaoke systems or other sound producing devices within residential areas and along public streets or road sides which either annoys, disturbs, injures or endangers the comfort, health, peace or safety of others within the City of Bacoor.

**Section 2. Scope.** This Ordinance shall cover:

2.1 All persons regardless of age or gender who makes any excessive, unnecessary, or unusually loud sounds by means of a videoke/karaoke system or other amplified audio devices within residential areas in the City of Bacoor; and

2.2 Any business or commercial establishment located within the City of Bacoor that produces any excessive, unnecessary, or unusually loud sounds whether or not generated by video/karaoke systems.

**Section 3. Definition of Terms.** As used in this Ordinance, the following terms shall mean as follows:

3.1. Disturbing Noise

- Noise which is perceived by a person of ordinary sensibilities as

convenient hearing for the persons who are in the place in which such device is being operated.

4.2 The operation of such equipment, machine or device in such manner as to be plainly audible at a distance of 50 feet from the place in which it is located shall be prima facie evidence of a violation of this ordinance.

**Section 5.** In determining whether a sound is unreasonably loud and disturbing, the following factors incident to such noise are to be considered:

- a. Time of the day, proximity to residential structures;
- b. Whether the noise is recurrent, intermittent, or constant;
- c. The volume and intensity;
- d. Whether the noise has been enhanced in volume or range by any type of electronic or mechanical means;
- e. The character and zonal classification of the area where the sound emanated; and
- f. Whether the noise is subject to being controlled without unreasonable effort or expense to the creator thereof.

**Section 6.** Operation and use of videoke/karaoke system and other sound producing devices in public streets or road sides shall be allowed only upon securing of a permit from the Barangay that has jurisdiction over the area and only until 12:00 midnight, Monday to Sunday.

**Section 7.** Application of Permit. – The following guidelines shall be observed in the issuance of a Permit:

7.1 Pursuant to Sec. 6 of this Ordinance, the operation or use of videoke/karaoke system and other amplified audio devices in public streets or road sides shall be allowed only upon securing of a permit from the Barangay that has jurisdiction over the area.

7.2. Applicants for a permit to operate or use videoke/karaoke system and other sound producing devices in public streets or road sides, shall complete and fill up an application form and file the same with the Barangay concerned at least five (5) working days prior to the date of the intended activity.

7.3. The application shall describe the nature of the intended activity, the type of audio device, the specific location at which such audio device is to be used or operated and such other pertinent information as is necessary for the Barangay to carry out its duties under this section.

**Section 8. Issuance of Permit.**

8.1. The Punong Barangay or his duly authorized representative shall issue a permit for the operation or use of videoke/karaoke system and other sound producing devices in public streets or road sides, only upon compliance with the provisions of the preceding section.

8.2. The permit signed by the Punong Barangay shall describe the nature of the intended activity, specific location and type of audio device to be used or operated there under, and the period of time for which such device may be operated. It shall specify such other terms and conditions as are essential to secure and protect the public safety.

**Section 9. Restrictions.** The Barangay shall not issue a permit for the operation or use of videoke/karaoke system and other amplified audio devices:

9.1. at any location within 200 meters of a school or place of worship during school hours or schedule of worship respectively, or within 200 meters of any hospital or other institution caring for the sick or infirm;

9.2. at any location where the Barangay, upon investigation, shall determine that the conditions of vehicular or pedestrian traffic or both are such that the use of a public street or road side will constitute serious hazards to the safety and comfort of pedestrians or vehicle operators; or

9.3. at any location where the Barangay, upon investigation, shall determine that the conditions of overcrowding or other physical conditions are such that the use of public street or road side will deprive the public of the reasonable right to safe and peaceful enjoyment of any public street or other public place.

**Section 10. Enforcement and Abatement.**

10.1. It is the duty of the Barangay and the Bacoor City Police to enforce the provisions of this ordinance.

10.2. Any person or person(s) who violates the provisions of this ordinance shall receive a verbal order to cease or abate the loud sounds generated from videoke/karaoke system or other amplified audio device immediately or within a reasonable time period, provided however, that if the violation is deemed to be excessive, the Barangay authorities need not issue a verbal reprimand to cease or abate the loud sound, but may in lieu thereof charge the offending person or person(s) with violation of this ordinance.

numerous complaints from various barangays regarding the excessively loud and disturbing noise produced by some motor vehicles that disturb the peace and create noise pollution.

**WHEREAS**, public hearings conducted by the city council on the said complaints revealed that majority of the residents of the City of Bacoor would like to see the immediate approval of an ordinance addressing the above-mentioned issue.

**NOW THEREFORE**, upon motion of Councilor Reynaldo D. Palabrica, unanimously approved by all the councilors present, **BE IT ORDAINED AS IT IS HEREBY ORDAINED** by the Sangguniang Panlungsod in regular session assembled that:

**Section 1. Title.**—This Ordinance shall also be known as the **"2014 Anti Motor Vehicle Noise Pollution Ordinance of the City of Bacoor"**.

**Section 2. Ban Against Noise Pollution Produced By Motor Vehicles.** – The City of Bacoor hereby prohibits the creation of noise pollution by any motor vehicle within its territorial jurisdiction. Consequently, no motor vehicle without a muffler, or that has a muffler different from its original factory standard muffler, or that has a damaged muffler and produces excessively loud noises, or that was designed to create noise pollution shall be allowed to operate within the City of Bacoor.

**Section 3. Definition of Terms.**-- The following terms, as used in this Ordinance, shall mean:

- a) *Motor vehicle* shall refer to any transport vehicle that runs on an engine such as motorcycles, tricycles, motorized pedicabs, kuliglig, cars, jeepneys, trucks, and other similar modes of transportation;
- b) *Noise pollution* shall refer to any loud or excessively disturbing noise that can disturb one's sleep, damage one's hearing, cause vexation, or any sound that exceeds 60 decibels.

**Section 4. Penalties.** – The following penalties shall be imposed against anyone who shall violate this Ordinance:

First offense	Fine of P2,500.00
Second offense	Fine of P3,500.00
Third offense	Fine of P5,000.00
Fourth offense	Fine of P5,000.00 or imprisonment of not more

**OFFICE OF THE SANGGUNIANG PANLUNGSOD**

**WHEREAS**, there is a need to amend the said ordinance to make it more effective in eradicating noise pollution caused by motor vehicles;

**WHEREAS** pursuant to Section 7 of the subject Ordinance, the City Mayor is empowered to direct the formulation of the implementing rules and guidelines of such Ordinance; provided that the said rules and guidelines should not be contrary to the provisions thereof. Notwithstanding the clear meaning of the said provision, many motorists still question the validity of the implementing rules and guidelines that the City Mayor promulgated following the date of effectivity of City Ordinance No. 2014-008 leading to altercations between erring motorists and the traffic management officers tasked to implement the said ordinance.

**WHEREAS** in order to prevent future misunderstanding implementing rules and guidelines shall clarify and explain the provisions of the subject Ordinance in order to achieve harmony or congruity with other existing laws and rules and regulations;

**NOW, THEREFORE**, upon motion of Hon. Bayani M. De Leon duly approved by the Sangguniang Panlungsod of the City of Bacoor in regular session assembled that:

**Section 1. Title.** - This shall be known as the "Revised 2014 Anti-Motor Vehicle Noise Pollution Ordinance of the City of Bacoor".

**Section 2. - Declaration of Policy** - (a) It is the declared policy of the State to promote the general welfare and protect the environment to attain sustainable development;

(b) The City Government of Bacoor shall ensure and support, as well as preserve the comfort and convenience of its inhabitants and deal with environmental problems within its territorial jurisdiction;

(c) The City Government of Bacoor, in compliance with Section 1,2 of DENR DAO — 30 Series of 1992, otherwise known as the "Guidelines for the Transfer and Implementation of DENR Functions Devolved to the Local Government Units", shares with the national government, particularly the DENR, the responsibility in the sustainable management and development of the environment and natural resources within

its territorial jurisdiction, including the abatement of noise and other forms of nuisance as defined by law:

[d] The City Government of Bacoor considers noise pollution or unabated noise as a public nuisance disturbing not only the auditory nerves but also even the emotional and psychological well-being of persons;

[e] The City Government of Bacoor considers the excessively loud noise, such as those arising from motor vehicles, as a cause of irritation in a community and within the neighborhood; and

[f] The City Government of Bacoor recognizes that it is a right of every human being to have a peaceful environment and to have a good night's sleep—a right that should be upheld by the State.

**Section 3. Definition of Terms.** - The following terms, as used in this Ordinance, shall mean:

a) **Decibel** is a measure of sound level and is equal to 10 times the logarithm of the square of a measure sound pressure level (SPL) divided by a reference sound pressure. The sound pressure is given in microbars, with the reference pressure taken as 0.0002 microbars that is generally the minimum the human ear can sense.

b) **Decibel "A" (dBA)** is the measure of the total sound level when using the "A" level network.

c) **Emergency** means a public calamity or an exposure of any person or property to imminent danger.

d) **Level** means the total sound level of all noise as measured with a sound level meter using "A" weighing network. The unit of measurement is the Decibel "A"

e) **Motor vehicle** shall refer to any transport vehicle that runs on an engine such as motorcycles, tricycles, motorized pedicabs, kuliglig, cars, jeepneys, trucks, and other similar modes of transportation;

f) **Muffler** - a part of a motor vehicle's exhaust system, serving to muffle the sound of the vehicle.

**Section 4. Ban Against Noise Pollution Produced By Motor Vehicles.** - The City of Bacoor prohibits the creation of noise pollution by any motor vehicle within its territorial jurisdiction.

**Section 5. Prohibited Acts.** - The following shall constitute as prohibited acts punishable under the subject Ordinance:

5.1. No motor vehicle without a muffler, or that has a muffler different from its original factory standard muffler, or that has a modified or damaged muffler and produces excessively loud noises, or that was designed to create noise pollution, shall be allowed to operate within the City of Bacoor. A digital image of the vehicle showing that it has no muffler or that it has a modified or damaged muffler shall constitute proof of violation of this provision.

5.2. No person shall operate, use, or cause to operate any sound reproduction device for any of the following purposes:

5.2.1. To operate any motor vehicle, which produces excessively loud and disturbing noise while parked on any public street, park, place, or other structure within the City of Bacoor, except incidental sounds for which a permit has been issued;

5.2.2. To operate any motor vehicle that creates unnecessary noise, except when the noise is a result of the operation or use of any claxon or air horn installed in a motor vehicle to signal imminent danger; or

5.2.3. No person shall operate a motor vehicle that causes or permits the creation of any unnecessary noise through the use of any device on any street adjacent to churches, hospitals, schools, and courts of justice or places of residence.

**Section 6. Noise-Sensitive Zones.** - The following areas are considered as noise-sensitive zones within the territorial jurisdiction of the City of Bacoor:

6.1. Class A - a section or contiguous area that requires quietness, such as areas within 100 meters from school sites, churches, hospitals, courts of justice, funeral homes, special homes for the aged and other similar institutions.
