MEMORANDUM OF UNDERSTANDING

KNOW ALL MEN BY THESE PRESENTS:

This Memorandum of Understanding ("MOU") is entered into by and between:

STACKTREK ENTERPRISE, INC., a corporation duly organized and existing under the laws of the Republic of the Philippines, with principal office at 7F Finman Bldg, 131 Tordesillas St., Salcedo Village, Makati City, Philippines, represented herein by its Chief Executive Officer, **Billy Yuen**, and/or its authorized representative (hereinafter referred to as "**StackTrek**" or "**Party A**");

AND

CITY GOVERNMENT OF BACOR, an institution/organization duly organized and existing under the laws of the Republic of the Philippines, with principal office at **Bacoor Government Center, Bacoor Boulevard, Barangay Bayanan, City of Bacoor, Province of Cavite**, represented herein by its **City Mayor, Hon. STRIKE B. REVILLA** (hereinafter referred to as "**Party B**").

RECITALS

WHEREAS, on September 4th, 2024, StackTrek and the Technical Education and Skills Development Authority (TESDA) entered into a Memorandum of Agreement wherein StackTrek is designated to establish the national standards for AI training in the Philippines, including the development of the country's first comprehensive AI and Data curriculum, a standardized assessment framework, and national training programs, underscoring StackTrek's role in advancing AI education and workforce readiness nationwide;

WHEREAS, StackTrek is the Philippines' national authority on artificial intelligence (AI) education and operates **ADVANCED Institute of Technology ("ADVANCED")**, a training institution that provides stackable AI and Data training programs;

WHEREAS, **ADVANCED Institute of Technology ("ADVANCED")** is the AI school of StackTrek. **ADVANCED** offers stackable AI and Data training programs that consist of short, focused training modules, each targeting a specific competency;

WHEREAS, StackTrek, in partnership with the Technical Education and Skills Development Authority (TESDA), manages and delivers training programs at **ADVANCED** in the Philippines;

WHEREAS, StackTrek has established partnerships with relevant institutions and industry stakeholders to support AI upskilling initiatives in the Philippines;

WHEREAS, Party B is committed to enhancing the digital competencies, AI skills, and technological proficiency of its members and community, including but not limited to its workforce, employees, officers, students, faculty, staff, members, alumni, and their immediate family members (collectively referred to as "Covered Participants");

WHEREAS, the Parties desire to collaborate in implementing a training initiative utilizing StackTrek's ADVANCED AI Training Program for Party B's Covered Participants;

NOW, THEREFORE, for and in consideration of the foregoing premises and the mutual covenants herein, the Parties agree as follows:

I. OBJECTIVE

This MOU formalizes the collaborative framework for the implementation of the ADVANCED AI Training Program, consisting of micro-credential courses registered with the Technical Education and Skills Development Authority (TESDA). Training may be conducted onsite at mutually agreed locations or delivered online via a secure learning platform, subject to scheduling and logistical arrangements, for the purpose of upskilling Party B's Covered Participants.

II. SCOPE OF THE PARTNERSHIP

A. StackTrek (Party A) intends to:

- Deliver the ADVANCED AI Training Program using its existing AI curriculum;
- Complete required TESDA registration and documentation for program accreditation;
- Provide training reports on learner participation and completion;
- Customize training content based on Party B's workforce needs where applicable;
- Coordinate training schedules with Party B to minimize operational disruption;
- Conduct training onsite or online depending on agreed arrangements.

B. Party B intends to:

- Coordinate with StackTrek for implementation, scheduling, and learner participation;
- Provide logistical and administrative support for trainees as applicable;
- Ensure Covered Participants' participation and engagement in the training program;
- Facilitate workplace application of learned skills;
- Collaborate in scheduling and operational planning.
-

C. Mutual Terms:

- No tuition fees shall be charged by StackTrek to Party B or its enrolled Covered Participants unless otherwise agreed in writing;
- Intellectual property rights over StackTrek materials remain with StackTrek;
- Materials, systems, or data provided by Party B remain the property of Party B;
- Any use beyond the scope of this Agreement requires prior written consent.

III. TRAINING OUTCOMES AND BENEFITS

The program supports development of:

- New candidates: foundational AI and automation skills;
- New hires: onboarding and responsible AI usage;
- Existing employees: upskilling and productivity enhancement.

The program promotes:

- Responsible AI use in compliance with applicable laws including RA 10173 (Data Privacy Act of 2012);
- Practical application of generative AI tools;
- Workflow automation and efficiency improvement.

IV. INTELLECTUAL PROPERTY RIGHTS

All training content developed by StackTrek remains its exclusive property. Party B retains ownership of its proprietary materials. No rights are transferred except limited usage for training purposes.

V. BRANDING AND COMMUNICATION

The program shall be referred to as the "ADVANCED AI Training Program."

StackTrek shall not use Party B's name, logo, or branding in any public materials without prior written approval from Party B.

All promotional or public-facing materials referencing Party B shall be subject to review and approval.

VI. TERM AND TERMINATION

This MOU shall take effect upon execution and remain valid for five (5) years unless terminated earlier by either Party upon ninety (90) days' written notice.

Termination for cause may be effected with thirty (30) days' notice if the breach is not remedied within the said period.

VII. CONFIDENTIALITY

Both Parties agree to maintain confidentiality of all non-public information and not disclose it without prior written consent, unless required by law.

VIII. RESTRICTION ON EMPLOYEE SOLICITATION

Neither Party shall solicit or hire employees involved in the training program for a period of twenty-four (24) months after their involvement ends.

IX. DATA PRIVACY

Both Parties shall comply with RA 10173 (Data Privacy Act of 2012) and ensure lawful collection, processing, storage, and protection of personal data.

StackTrek shall implement data collection and submission processes required for TESDA certification.

A Data Processing Agreement (DPA) shall be executed prior to processing any personal data of Party B's Covered Participants.

X. CERTIFICATION AND DATA REQUIREMENTS

For TESDA micro-credential certification, learners must submit required personal data, including but not limited to:

- Full Name
- Date of Birth
- Sex
- Civil Status
- Birthplace
- Nationality
- Address
- Contact Information
- Employment Status
- Educational Attainment
- Learner Classification
- ID Photo
- Unique Learner Identifier (ULI)

All completed learners shall be eligible for a Micro-Credential Certificate of Achievement (MCA), subject to TESDA requirements.

XI. CYBERSECURITY

Both Parties shall maintain appropriate cybersecurity measures including access controls, encryption, monitoring, and incident response protocols.

XII. DISPUTE RESOLUTION

Disputes shall be resolved amicably. If unresolved, the matter shall proceed to mediation. If still unresolved, disputes shall be filed in the proper courts of Makati City, Philippines.

XIII. MISCELLANEOUS

- Amendments must be in writing and signed by both Parties;
- This MOU is non-exclusive;
- No agency, partnership, or employment relationship is created.
