WHEREAS, in view of the crucial role that a hydrological study plays in any flood management program, the Committee on Public Works and Highways recommended to the Sangguniang Panlungsod to pass a resolution directing the formation of task force comprised of various departments under the Office of the City Mayor that will study the feasibility of any existing hydrological study related to the flood mitigation plans of the City of Bacoor.

WHEREAS, seeing the wisdom behind the proposal, the Sangguniang Panlungsod approved the said proposal.
